Special Report of the Board of Directors in accordance with Article 583 of the Belgian Companies Code

Issuance of warrants for the benefit of employees, directors and independent consultants of the Company and its subsidiaries "Warrant Plan 2012"

1 Introduction: subject matter of this report

This report is drawn up on 12 July 2012 by the Board of Directors of the Company in accordance with the provisions of Article 583 of the Belgian Companies Code.

In this report, the Board of Directors gives an extensive explanation and justification relating to the proposed issuance and exercise conditions of warrants.

This report relates to the proposal of the issuance of 530,140 naked warrants (hereinafter "**Warrants**") for the benefit of employees, directors and independent consultants of the Company and its subsidiaries.

The Board of Directors proposes to cancel the preferential subscription rights of the shareholders of the Company, in accordance with Articles 596 and 598 of the Belgian Companies Code, in connection with the proposed issuance of the Warrants. In this context, the Board of Directors further refers to the report the Board has established in accordance with the aforementioned legal provisions.

2 Proposed transaction

The Board of Directors proposes the issuance of maximum 530,140 Warrants in the framework of the remuneration and hiring policy of the Company for employees. Furthermore, these Warrants can also be granted as compensation to the Company's directors and to independent consultants who render services to the Company and/or its subsidiaries. The number of Warrants reserved for directors (subject to the approval of the Extraordinary Shareholders' Meeting) and independent consultants amounts to 187,640. The Warrants of this plan will be used by the Board of Directors for the Warrant Plan 2012 (see [Annex 1](#) of this report). The Warrants will be used by the Board among others to stimulate the involvement and motivation of the beneficiaries and to implement promises and undertakings made at the occasion of the taking on of new employees.

Decisions relating to the granting of Warrants to members of the Company's Board of Directors belong to the exclusive field of competence of the Company's shareholders' meeting.

3 Justification

The Board of Directors is of the opinion that the issuance of the Warrants is in the interest of the Company and its subsidiaries as, on the one hand, it enables the Company and its subsidiaries to attract new financial means and, on the other hand, it creates the possibility to achieve one or more of the following objectives:

- to more closely involve the employees, the management and the directors with the Company and to reward the contribution of the beneficiaries of the Warrants to the success of the Company;
- to stimulate and motivate the employees, the management and the directors on middle and long term;
- to attract and retain employees, management, directors and independent consultants with the necessary experience and skills;
- to bring the interests of the beneficiaries of the Warrants in line with the interests of the Company by offering them the possibility to participate in the growth of the value of the Company.

The offering of Warrants to the members of the Board of Directors and the exercise thereof is not subject to performance criteria. Therefore, the Warrants attributed to the members of the Board of Directors (including the CEO) are not considered being (performance-related or other) variable remuneration.

The Board of Directors further points out that the 2009 Belgian Code on Corporate Governance sets out that non-executive Directors should not be entitled to performance-related remuneration, such as stock related long-term incentive schemes. In deviation from this provision, the Board of Directors yet proposes herewith to grant Warrants to non-executive Directors. As mentioned above, Warrants attributed to the members of the Board of Directors are not considered being (performance-related or other) variable remuneration. In addition, by doing so, the Company has additional possibilities to attract and retain competent non-executive Directors and to offer them an additional remuneration that does not affect the cash position of the Company. Moreover, the grant of warrants is a commonly used method in the sector in which the Company operates; without this possibility, the Company would be confronted with a considerable disadvantage compared to peers who do offer stock-related incentive schemes to their non-executive Directors. The Board of Directors is of the opinion that the granting of Warrants has no negative impact on the function of the non-executive Directors.

4 Conditions of issuance and exercise of the Warrants; Power of Attorney.

The proposed conditions of issuance and exercise of the Warrants are set forth hereafter in the Warrant Plan 2012 that is attached hereto as Annex 1.

The Board of Directors grants a power of attorney to any two (2) members of the Board of Directors acting jointly, as well as to the managing Director acting individually, with possibility

of sub-delegation and the power of subrogation, cater for the establishment by notary deed of the acceptance of the offered Warrants, the exercise of the Warrants, the issuance of the corresponding number of new shares, the payment of the exercise price in cash, the corresponding realization of the capital increase, the allocation to the unavailable account "issuance premiums" of the difference between the subscription price for the shares and the accounting par value, to bring the Articles of Association in accordance with the new situation of the registered capital, to sign and deliver the relevant Euroclear and bank documentation, and to sign and deliver all necessary documents in connection with the delivery of the shares (acquired as a result of the exercise of the Warrants) to the beneficiaries.

Made and approved on 12 July 2012.

For the Board of Directors of the Company,

Onno van de Stolpe
Director

3 Warrants

3.1 General

The number of Warrants issued in the framework of this Plan is maximum 530.140. These Warrants will be designated as "Warrants 2012". The detail of the number of Warrants per Beneficiary, offered under this Plan, is set forth in Annex A to this Plan.

The Warrants are granted by the Company to the Beneficiaries for free.

Each Warrant entitles the Beneficiary to subscribe to one New Share in accordance with the terms and conditions of the Plan.

Offers under this Plan do not need to be the same for every Beneficiary.

3.2 Number per Beneficiary

The number of Warrants to be offered to the Beneficiaries is determined by the Board of Directors and, as regards the Directors of the Company, by the Shareholders' Meeting of the Company. This number is set forth in Annex A.

3.3 Transfer restrictions

The Warrants received are registered in the name of the Warrant Holder and cannot be transferred *inter vivos* once granted to a Beneficiary.

The Warrant cannot be encumbered by any pledge or in any other manner.

Warrants that, in contravention with the foregoing, are transferred or encumbered shall automatically become null and void.

3.4 Exercise Price

The Board of Directors shall determine the Exercise Price per Warrant at the moment of the Offer.

Pursuant to Article 598 of the Belgian Companies Code and as the Shares of the Company are listed or traded on a regulated market at the date of the Offer, the Exercise Price will at least amount to the average of the closing price of the Share of the Company during the last thirty (30) days preceding the date of the Offer. In no event will the Exercise Price be lower than the accounting par value (rounded up to the higher eurocent) of the Shares at the date of the issuance of the Warrants.

Upon Exercise and subsequent capital increase the Exercise Price must be booked as capital for an amount equal to the accounting par value of the Shares at the moment of the establishment of the capital increase resulting from the Exercise. The part of the Exercise Price that exceeds the accounting par value must be booked as an issuance premium.

In deviation of Article 501 of the Belgian Companies Code and without prejudice to the exceptions provided by law, the Company, represented by the Board of Directors, expressly reserves the right to take any possible decisions and to carry out any possible transactions which may have an impact on its capital, on the distribution of the profit or on the liquidation surpluses or that may otherwise affect the rights of the Warrant Holders (with the exception of those causing an increase of the accounting par value of the existing Shares (in order not to conflict with Article 582 of the Belgian Companies Code)), even in the event that these decisions might cause a reduction of the benefits offered to the Warrant Holders, unless the only purpose of these decisions and transactions would be such reduction of benefits.

Should the rights of the Warrant Holder be affected by such a decision or transaction, the Warrant Holder shall not be entitled to a modification of the Exercise Price, a modification of the exercise conditions or any other form of (financial or other) compensation. The Company, represented by the Board of Directors, may, in its sole discretion, make modifications to (i) the number of Shares that relates to one Warrant and/or (ii) the Exercise Price. As soon as reasonably practicable, the Board of Directors shall give notice in writing of such modification to the relevant Warrant Holder.

In case of a merger, demerger or stock-split of the Company, the rights of the outstanding Warrants and/or the Exercise Price of the Warrants shall be adjusted in accordance with the conversion ratio applicable at the occasion of the merger, demerger or the stock-split to the other shareholders.

3.5 Administration of the Warrant Plan

The Company is responsible for the management and the administration of the Plan and ensures that all questions of Beneficiaries or Warrant Holders are answered accurately and rapidly.

4 Beneficiaries of the Plan

Beneficiaries are the individuals as indicated in section 2 ("Definitions - Beneficiary").

The Warrants under this Plan are in majority reserved for and granted to Employees. The number of Beneficiaries consists in minority of Directors and Consultants and in majority of Employees. A majority of the issued Warrants is reserved for and granted to Employees.

5 Acceptance or Refusal of the Offer

The Beneficiaries have the possibility to accept the individual Offer in whole, in part or not at all. Acceptance of the Offer has to be formally established by ticking the relevant paragraph in the Notice of Acceptance.

Each Beneficiary shall receive a Notice of Acceptance wherein the Beneficiary mentions his/her decision regarding the Offer: (full or partial) Acceptance or Refusal.

The Notice of Acceptance needs to be returned prior to the ultimate date of response as set forth in the Notice of Acceptance, duly completed and signed, to the address mentioned in the Notice of Acceptance. Such ultimate date of response cannot be later than 75 calendar days after the date of the Offer.

In case the Beneficiary has not accepted the Offer in writing prior to the date mentioned in the Notice of Acceptance, he shall be deemed to have refused the Offer.

The Warrants are registered in the name of the Beneficiary. In case of acceptance, the Beneficiary will be recorded as a Warrant Holder in the register of warrant holders of the Company. This register is kept at the registered office of the Company, mentioning the identity of the Warrant Holders and previous warrant holders and the number of Warrants held by them. The Warrant Holder will receive a confirmation of the number of Warrants he has accepted.

The Nomination and Remuneration Committee may decide to replace or complete the Notice of Acceptance by or with a written Warrant Agreement to be signed by the Participant and the Company and which shall contain the conditions determined by the Nomination and Remuneration Committee, in accordance with this Plan.

The Beneficiary who has accepted the Offer will receive the Warrants as soon as these have been issued by notary deed establishing the acceptance.

6 Exercise and Payment Conditions

6.1 Exercise Term

The Exercise Term is eight (8) years, starting from the date of the Offer.

6.2 Exercise Period

Warrants may not be exercised prior to the end of the third calendar year following the calendar year in which the Grant was made.

As of the commencement of the fourth calendar year following the calendar year in which the Grant was made, all vested Warrants may be exercised, during an Exercise Period.

The previous paragraph is however expressly not applicable to Warrant Holders who are subject to income taxes in France and/or to social security contributions in France; these Warrant Holders can only exercise Warrants as from the fourth anniversary of their Offer.

The Board of Directors will establish at least one Exercise Period of two weeks per semester. It is the responsibility of the Beneficiary to timely seek information from the Company relating to the establishment of Exercise Periods.

The Board of Directors may decide, in accordance with the applicable rules relating to abuse of insider information, to establish closed periods during which the Warrants cannot be exercised.

6.3 Conditions of Exercise

Individual Warrants can only be exercised as a whole.

In order to exercise a Warrant, the Warrant Holder needs to submit an appropriate declaration to that effect (the exercise form) to the Board of Directors or to an authorized person designated by the Board of Directors, and to pay the Exercise Price into a bank account designated by the Company and opened in the name of the Company.

On the exercise form, the Warrant Holder needs to mention the number of Warrants he desires to exercise.

In case the bank account is not or not sufficiently credited prior to the end of the Exercise Period, the Warrants will be deemed not to be exercised. The Company will inform the

Warrant Holder thereof and will reimburse the amount that was deposited too late or was insufficient as soon as possible within the limits set by law. The Warrants will consequently not be lost and remain exercisable at a later stage insofar the Exercise Term has not expired.

6.4 Exercise of the Warrants in accordance with the Belgian Companies Code

In case a Warrant, that is not exercisable or cannot be exercised in accordance with the issuance conditions (as specified in the Plan), becomes prematurely exercisable pursuant to Article 501 of the Belgian Companies Code and is thus also prematurely exercised pursuant to Article 501 of the Belgian Companies Code, the New Shares that the Warrant Holders receives as a result of such Exercise will be not transferable, except with the explicit prior consent of the Board of Directors, until such time the Warrant would have become exercisable in accordance with the Plan.

6.5 Change in Control of the Company

Notwithstanding anything to the contrary in this Plan, in the event of a change in Control of the Company, all Warrants granted to a Warrant Holder whose relationship with the Company or with a Subsidiary has not ended prior to such change in Control and whose Warrants have not all vested yet, shall, in principle, immediately vest and become immediately exercisable during an Exercise Period determined by the Board of Directors, provided, however, that in compliance with applicable (tax) laws the Board of Directors is authorized to establish certain conditions for such vesting and/or exercising that will be applicable to some or all of the Warrant Holders involved.

7 Issuance of New Shares

The Company shall only be obliged to issue New Shares pursuant to the Exercise of Warrants if all exercise conditions set forth in chapter 6 have been complied with.

As soon as these exercise conditions are complied with, the New Shares will be issued, taking into account the time needed to fulfill the required administrative formalities. The Board of Directors shall to this effect timely at a date to be determined by the Board of Directors and at least once per semester have established the capital increase.

New Shares participate in the profit of the financial year of the Company that started on the first of January of the year in which the relevant New Shares have been issued.

In view of a rapid delivery of the Shares resulting from the exercise of Warrants, the Company may propose to the Participants who have complied with the exercise conditions to receive existing Shares awaiting the issuance of New Shares by notary deed. In such case the Participants will receive an advance of existing Shares subject to the condition that they sign an authorization by which the New Shares will, upon issuance, immediately and directly be delivered to the Company or to any other party who advanced them the existing Shares.

The Board of Directors has granted power of attorney to any two (2) members of the Board of Directors acting jointly, as well as to the managing Director acting individually, with possibility of sub-delegation and the power of subrogation, to take care of the establishment by notary deed of the acceptance of the Warrants offered, the exercise of the Warrants, the issuance of the corresponding number of New Shares, the payment of the exercise price in cash, the corresponding realization of the capital increase, the allocation to the unavailable account "issuance premiums" of the difference between the subscription price for the Shares

and the accounting par value, to bring the Articles of Association in accordance with the new situation of the registered capital, to sign and deliver the relevant Euroclear and bank documentation, and to sign and deliver all necessary documents in connection with the delivery of the Shares (acquired as a result of the exercise of the Warrants) to the Beneficiaries.

The Company will take the necessary actions to have the New Shares listed for trading on a regulated market as soon as they have been issued. The Company has not issued VVPR strips and has no intention to do so in the future.

8 Cessation of the Employment or Service Relationship

8.1 Cessation of the employment or service relationship

In case of Cessation of the Employment agreement or Cessation of the Consultancy agreement after the end of the third calendar year following the calendar year in which the Grant was made, the Beneficiary will have time to exercise his non-exercised Warrants within a six (6) month period as from the date on which he leaves employment or is otherwise no longer involved in the activities of the Company during an Exercise Period of two weeks to be determined by the Board of Directors.

If Cessation of the Employment agreement or Cessation of the Consultancy agreement occurs prior to the end of the third calendar year following the calendar year in which the Grant was made, all granted Warrants shall automatically become null and void. This principle does however not apply in the event of cessation resulting from decease, Retirement, or sickness or disability.

In case of Cessation of the Director's Mandate after the end of the third calendar year following the calendar year in which the Grant was made, the Beneficiary must exercise his non-exercised Warrants within a six (6) month period as from the date on which his mandate comes to an end or from the date he is otherwise no longer involved in the activities of the Company, during an Exercise Period of two weeks to be determined by the Board of Directors.

If Cessation of the Director's Mandate occurs prior to the end of the third calendar year following the calendar year in which the Grant was made, but without prejudice to a dissident decision of the Board of Directors taken after the Cessation of the Director's Mandate, a part of the granted Warrants shall automatically become null and void as follows:

- 1/36th of the Offer for each full month between the Cessation of the Director's Mandate and the third anniversary of the Grant.

The Warrants that do not automatically become null and void are exercisable during a period of six (6) months, starting as of the first day of the fourth calendar year following the calendar year in which the Grant was made, during an Exercise Period of two weeks to be determined by the Board of Directors.

8.2 Decease

In case of decease of a Warrant Holder, all Warrants acquired by such Warrant Holder pass to his Personal Representative(s) and they must mandatory be exercised within six (6) months as from the decease, during an Exercise Period of two weeks to be determined by the Board

of Directors. Warrants that are not exercised within such period will automatically become null and void.

In case of decease prior to the end of the third calendar year following the calendar year in which the Grant was made, the number of Warrants acquired and so exercisable shall be determined by multiplying the number of Warrants offered with the result of the following division:

$$\frac{\text{number of days between the date of the Grant and the date of decease}}{\text{number of days between the date of the Grant and the end of the third calendar year following the calendar year in which the Grant was made}}$$

8.3 Retirement

In case of Retirement of a Warrant Holder, the Warrants acquired by the Warrant Holder must mandatorily be exercised within six (6) months as from such Retirement, during an Exercise Period of two weeks to be determined by the Board of Directors. Warrants that are not exercised within such period will automatically become null and void.

In case of Retirement prior to the end of the third calendar year following the calendar year in which the Grant was made, the number of Warrants acquired and so exercisable shall be determined by multiplying the number of Warrants offered with the result of the following division:

$$\frac{\text{number of days between the date of the Grant and the date of Retirement}}{\text{number of days between the date of the Grant and the end of the third calendar year following the calendar year in which the Grant was made}}$$

8.4 Sickness or Disability

In case of cessation of the employment agreement or of the consultancy or management agreement as a result of long-term sickness or disability, the Warrants acquired by the Warrant Holder must mandatory be exercised within six (6) months as from such cessation, during an Exercise Period of two weeks to be determined by the Board of Directors. Warrants that are not exercised within such period will automatically become null and void.

In case of such cessation prior to the end of the third calendar year following the calendar year in which the Grant was made, the number of Warrants acquired and so exercisable shall be determined by multiplying the number of Warrants offered with the result of the following division:

$$\frac{\text{number of days between the date of the Grant and the date of such cessation}}{\text{number of days between the date of the Grant and the end of the third calendar year following the calendar year in which the Grant was made}}$$

8.5 Deviations

The Board of Directors may at its discretion decide to deviate at any time from the provisions set forth in this chapter 8.

9 Protective Measures

The Board of Directors is authorized to take appropriate measures to safeguard the interests of the Warrant Holders in case:

- a fundamental change in the Control of the Company occurs;
- a fundamental change in the regulations occurs;
- a serious and exceptional circumstance jeopardizing the rights of the Beneficiaries occurs.

This Plan may, if required by the circumstances, be amended by the Company. The Beneficiary shall be informed of such amendments and will be bound by them. The amendments may in no event affect the essential provisions of the Plan. The amendments may not harm the rights of the under this Plan existing Warrant Holders. In the event the rights of the under this Plan existing Warrant Holders would be harmed, the amendments may not be made without their agreement.

10 Dispute Resolution

All disputes relating to this Plan will be brought to the attention of the Board of Directors, who may propose an amicable settlement for a dispute, as the case may be. If required the dispute will be submitted to Courts and Tribunals competent for the judicial area of Mechelen (Belgium) whereby all parties involved shall make election of domicile at the seat of the Company. This Plan is governed by Belgian law.

11 Final Provisions

11.1 Additional Information

The Company will provide the Beneficiary at his request a copy of the articles of association of the Company and possible amendments thereto.

11.2 Taxes and Social Security Treatment

The Company or a Subsidiary shall be entitled, in accordance with the applicable law or customs, to apply a withholding on the cash salary or the compensation for the month in which the taxable moment occurs or on the cash salary or the compensation of any other following month, and/or the Beneficiary shall be obliged to pay to the Company or a Subsidiary (if so required by the Company or by a Subsidiary) the amount of any tax and/or social security contributions due or payable because of the fact of the grant, the acceptance, the fact that Warrants become susceptible of being exercised or of the exercise of the Warrants, or due or payable in respect of the delivery of the New Shares.

The Company or a Subsidiary shall be entitled, in accordance with the applicable law or customs, to prepare the required reports, necessary as a result of grant of the Warrants, the fact that Warrants become susceptible of being exercised, or the delivery of the Shares.

11.3 Costs

Stamp duties, stock exchange taxes and similar charges and taxes levied at the occasion of the exercise of the Warrants and/or the delivery of the New Shares or existing Shares shall be borne by the Warrant Holder.

Costs relating to the issue of the Warrants or to the issue of New Shares shall be borne by the Company.

11.4 Relation to employment, consultancy or management agreement or director's mandate

No person has a right to participate in this Plan and a participation in this Plan does not give the Beneficiaries a right to future grants of additional Warrants. The grant of Warrants under this Plan does not contain a promise of a continuous employment by the Company or its Subsidiaries.

Notwithstanding any provision of the Plan, the rights and obligations of any individual or entity as determined in the provisions of his/her director's mandate, employment agreement or consultancy or management agreement concluded with the Company or a Subsidiary shall not be affected by his/her participation in the Plan or by any right that he/she may have to participate therein.

An individual to whom Warrants are granted in accordance with the Plan shall not be entitled to any damages or compensation as a result of the cessation of his mandate, employment agreement or consultancy or management agreement with the Company or a Subsidiary, based on any reason whatsoever, to the extent that these rights would arise or might arise based on the cessation of the rights he/she might have or the claims he/she could make concerning the exercise of Warrants pursuant to the Plan because of the cessation of such agreement or by reason of the loss or decrease in value of the rights or benefits.

11.5 Shareholders' Meetings

Warrant Holders have the right to participate in the Shareholders' Meetings of the Company, but without voting right and only with an advisory voice, subject to complying with the formalities set forth in the convocation for the Shareholders' Meeting.

11.6 Communication with Warrant Holders

By accepting Warrants, the Participant agrees that documentation can be validly communicated by the Company by e-mail, including convocations for Shareholders' Meetings and documentation pertaining to the exercise of Warrants.
