- (e) Amendment of article 9 ("Nature of the Shares") of the articles of association of the Company.

Proposed resolution: The Shareholders' Meeting resolves to replace the current text of article 9 of the articles of association with the following text:

"The shares are registered shares until they are fully paid up. The fully paid up shares are registered shares or dematerialized shares, according to the preference of the shareholder. The company may issue dematerialized shares, either by a capital increase or by the conversion of existing registered shares into dematerialized shares. Each shareholder may ask the conversion of his shares, by written request to the board of directors and at its own cost, into registered shares or into dematerialized shares.

The bearer shares that have been issued by the company and that are on a securities account on 1 January 2008, exist in dematerialized form as of that date. As of 1 January 2008, the other bearer shares will also automatically become dematerialized to the extent that they are credited to a securities account. Pursuant to the Law of 14 December 2005 abolishing bearer securities, the bearer shares that were not yet converted by 31 December 2013 at the latest, have been automatically converted into dematerialized shares. These shares have been credited to a securities account in the name of the company, without the company acquiring the capacity of owner of such shares. The exercise of the rights attaching to these shares shall be suspended until a person that has been able to lawfully evidence his capacity of titleholder, requests and obtains that the relevant shares are registered in his name in the register of registered shares or credited to a securities account."

- (f) Amendment of article 12 ("Bonds and Warrants") of the articles of association of the Company.

Proposed resolution: The Shareholders' Meeting resolves to remove the reference to bearer bonds and consequently to delete the last indent of the current text of article 12 of the articles of association.

- (g) Amendment of article 17 ("Deliberation") of the articles of association of the Company.

Proposed resolution: The Shareholders' Meeting resolves to replace the current text of indent 2 of article 17 of the articles of association with the following text:

"Board members can be present at the meeting of the board of directors by electronic communication means, such as, among others, phone- or videoconference, provided that all participants to the meeting can communicate directly with all other participants. The same applies to meetings of the Board of Directors to be held in the presence of a notary public, it being understood, however, that in such case at least one director or the meeting's secretary shall physically attend the meeting in the presence of the notary public. The minutes of the meeting shall mention the manner in which the directors were present."

- (h) Amendment of article 27 ("Meeting") of the articles of association of the Company.

Proposed resolution: The Shareholders' Meeting resolves to replace the current text of indent 1 of article 27 of the articles of association with the following text:

"The annual shareholders' meeting is held on the last Tuesday of the month of April at 2:00 p.m. CET. If such day is a public holiday in Belgium or in The Netherlands, the shareholders' meeting will be held on the following day that is a business day in both Belgium and The Netherlands, at 2:00 p.m. CET."

- (i) Amendment of article 29 ("Admission") of the articles of association of the Company.

Proposed resolution: The Shareholders' Meeting resolves to remove the reference to the admission formalities to Shareholders' Meetings with respect to bearer shares and consequently to delete indent 6 of the current text of article 29 of the articles of association.

Proposed resolution: Subject to the approval of the renewal of the authorization of the Board of Directors to increase the share capital of the Company within the framework of the authorized capital, the Shareholders' Meeting resolves to replace the current text of indent 4 of section (1) of the temporary provisions of the articles of association of the Company with the following text:

"The capital increases within the framework of the authorized capital may be achieved by the issuance of shares (with or without voting rights, and as the case may be in the context of a warrant plan for the company's or its subsidiaries' personnel, directors and/or independent advisors), convertible bonds and/or warrants exercisable by contributions in cash or in kind, with or without issuance premium, and also by the conversion of reserves, including issuance premiums. Aforementioned warrant plans can provide that, in exceptional circumstances (among others in the event of a change in control of the company or decease), warrants can be exercised before the third anniversary of their award, even if the beneficiary of such warrants is a person referred to in article 520ter, 524bis or 525 of the Belgian Companies Code."

- (k) Power of attorney.

Proposed resolution: The Shareholders' Meeting resolves to grant all necessary powers: (i) to any Director and/or Mr. Xavier Maes with respect to the implementation of the preceding resolutions, and (ii) to any Belgian public notary to establish a coordinated version of the articles of association of the Company and to file this coordinated version with the registry of the commercial court and to arrange for the completion of the necessary formalities with the register of legal entities and any relevant public administration.
