Special Report of the Board of Directors in accordance with Article 583 of the Belgian Companies Code

Issuance of warrants for the benefit of an employee of a subsidiary of Galapagos NV

1. Introduction: subject-matter of this report

This report is drafted on 23 December 2010 by the Board of Directors of the limited liability company ("naamloze vennootschap") Galapagos (the "**Company**") in accordance with the provisions of Article 583 of the Belgian Companies Code.

In this report, the Board of Directors gives an extensive explanation and justification relating to the proposed issuance and exercise conditions of warrants.

This report pertains to the proposal to issue 75,000 naked warrants (the "**Warrants**") for the benefit of an employee of one of a subsidiary of the Company.

In connection with the proposed issuance of warrants, the Board of Directors proposes to cancel the preferential subscription rights of the shareholders of the Company, in accordance with Article 596 of the Belgian Companies Code. In this respect, the Board of Directors further refers to the report the Board has established in accordance with the aforementioned legal provisions.

2. Proposed transaction

The Board of Directors proposes the issuance of up to 75,000 Warrants as part of the Company's remuneration and hiring policy for employees of the Company and its subsidiaries. The Board of Directors will use the Warrants of the present plan for the **Warrant Plan 2010 (C)** (please refer to **Annex 1** hereto). The Board of Directors will use the Warrants, *inter alia*, to stimulate the beneficiary's commitment and motivation and to comply with promises made to and agreements entered into with the beneficiary in question.

3. Justification

The Board of Directors is of the opinion that the issuance of the Warrants is in the interest of the Company and of its subsidiaries. First of all because it allows the Company and its subsidiaries to attract fresh capital and secondly, because the issuance of Warrants creates the possibility to reach one or more of the following targets:

- closer involvement of staff and management in the Company's affairs and rewarding the contribution of the beneficiaries of the Warrants to the Company's success;
- long-term and medium-term encouragement and motivation of staff and management;
- promoting the retention and recruitment of staff, management and independent consultants with the required experience and skills;
- reconciling the interests of the beneficiaries of the Warrants with the interests of the Company by giving them the possibility to share in the growth of the Company's value.

4. Conditions to issue and exercise the Warrants. Power of Attorney.

The proposed conditions of issuance and exercise of the Warrants are set out in the Warrant Plan 2010 (C), attached as Annex 1 hereto.

The Board of Directors grants a power of attorney to two (2) members of the Board of Directors, as well as to the managing Director, with possibility of sub-delegation and the power of subrogation, cater for the establishment by notary deed of the acceptance of the offered Warrants, the exercise of the Warrants, the issuance of the corresponding number of New Shares, the payment of the exercise price in cash, the corresponding realization of the capital increase, the allocation to the unavailable account "issuance premiums" of the difference between the subscription price for the shares and the accounting par value, to bring the Articles of Association in accordance with the new situation of the registered capital, to sign and deliver the relevant Euroclear documentation, and to sign and deliver all necessary documents in connection with the delivery of the shares (acquired as a result of the exercise of the Warrants) to the beneficiaries.

Done and approved in Brussels on 23 December 2010.

General

The number of Warrants issued in the framework of this Plan is maximum 75,000. These Warrants will be designated as "Warrants 2010 (C)".

The Warrants are granted by the Company to the Beneficiary for free.

Each Warrant entitles the Beneficiary to subscribe to one New Share in accordance with the terms and conditions of the Plan.

Number per Beneficiary

The number of Warrants to be offered to the Beneficiary is determined by the Board of Directors and is of 75,000.

Transfer restrictions

The Warrants received are registered in the name of the Warrant Holder and cannot *inter vivos* be transferred once granted to the Beneficiary.

The Warrant cannot be encumbered by any pledge or in any other manner.

Warrants that, in contravention with the foregoing, are transferred or encumbered shall automatically become null and void.

Exercise Price

The Board of Directors shall determine the Exercise Price per Warrant at the moment of the Offer.

As the Shares of the Company are listed or traded on a regulated market at the date of the Offer, the Exercise Price of the Warrants will, at the election of the Board of Directors, at least be equal to (a) the closing price of the Share of the Company on the last trading day preceding the date of the Offer, or (b) the average of the closing price of the Share of the Company during the last thirty (30) days preceding the date of the Offer. In no event will the Exercise Price be lower than 5.41 euro, *i.e.* the fractional value (rounded up to the higher eurocent) of the Shares at the date of the issuance of the Warrants.

Upon Exercise and subsequent capital increase the Exercise Price must be booked as capital for an amount equal to the fractional value of the Shares at the moment of the establishment of the capital increase resulting from the Exercise. The part of the Exercise Price that exceeds the fractional value must be booked as an issuance premium.

In deviation of article 501 of the Code of Companies and without prejudice to the exceptions provided by law, the Company, represented by the Board of Directors, expressly reserves the right to take any possible decisions and to carry out any possible transactions which may have an impact on its capital, on the distribution of the profit or on the liquidation surpluses or that may otherwise affect the rights of the Warrant Holders (with the exception of those causing an increase of the fractional value of the existing shares (in order not to conflict with article 582 of the Code of Companies)), even in the event that these decisions might cause a reduction of the benefits offered to the Warrant Holder, unless the only purpose of these decisions and transactions would be such reduction of benefits.

Should the rights of the Warrant Holder be affected by such a decision or transaction, the Warrant Holder shall not be entitled to a modification of the Exercise Price, a modification of the exercise conditions or any other form of (financial or other) compensation. The Company, represented by the Board of Directors, may, in its sole discretion, make modifications to (i) the number of shares that relates to one Warrant or (ii) the Exercise Price. As soon as reasonably practicable the Board of Directors shall give notice in writing of such modification to the relevant Warrant Holder.

In case of a merger, demerger or stock-split of the Company, the rights of the outstanding Warrants and/or the Exercise Price of the Warrants shall be adjusted in accordance with the conversion ratio applicable at the occasion of the merger, demerger or the stock-split to the other shareholders.

Administration of the Warrant Plan

The Company is responsible for the management and the administration of the Plan and ensures that all questions of Beneficiary or Warrant Holder are answered accurately and rapidly.

4. BENEFICIARY OF THE PLAN

Beneficiary is the individual as indicated in section 2 (“Definitions – Beneficiary”). The Beneficiary is an Employee of a Subsidiary of the Company. No Warrants are offered under this Plan to beneficiaries that are not an Employee of the Company or of a Subsidiary of the Company.

5. ACCEPTANCE OR REFUSAL OF THE OFFER

The Beneficiary has the possibility to accept the individual Offer in whole, in part or not at all. Acceptance of the Offer has to be formally established by ticking the relevant paragraph in the Notice of Acceptance.

The Beneficiary shall receive a Notice of Acceptance wherein the Beneficiary mentions his decision regarding the Offer: Acceptance or Refusal.

The Notice of Acceptance needs to be returned prior to the ultimate date of response as set forth in the Notice of Acceptance, duly completed and signed, to the address mentioned in the Notice of Acceptance. Such ultimate date of response cannot be later than 75 calendar days after the date of the Offer.

In case the Beneficiary has not accepted the Offer in writing prior to the date mentioned in the Notice of Acceptance, he shall be deemed to have refused the Offer.

The Warrants are registered in the name of the Beneficiary. In case of acceptance, the Beneficiary will be recorded as a Warrant Holder in the register of warrant holders of the Company. This register is kept at the registered office of the Company, mentioning the identity of the Warrant Holders and previous warrant holders and the number of Warrants held by them. The Warrant Holder will receive a confirmation of the number of Warrants he has accepted.

The Nomination- and Remuneration Committee may decide to replace or complete the Notice of Acceptance by or with a written Warrant Agreement to be signed by the Participant and the Company and which shall contain the conditions determined by the Nomination- and Remuneration Committee, in accordance with this Plan.

The Beneficiary who has accepted the Offer will receive the Warrants as soon as these have been issued by notary deed establishing the acceptance.

6. EXERCISE- AND PAYMENT CONDITIONS

Exercise Term

The Exercise Term is eight (8) years, starting from the date of the Offer.

Exercise Period

Warrants may not be exercised prior to the end of the third calendar year following the calendar year in which the Offer has been made.

Between the commencement of the fourth calendar year following the year in which the Offer has been made and the fourth anniversary of the Offer maximum 60% of the granted Warrants may be exercised during an Exercise Period.

As of the fourth anniversary of the Offer all granted Warrants may be exercised without any restriction as to the number of vested warrants.

The Board of Directors will establish at least one Exercise Period of two weeks per semester. It is the responsibility of the Beneficiary to timely seek information from the Company relating to the establishment of Exercise Periods.

The Board of Directors may decide, in accordance with the applicable rules relating to abuse of insider information, to establish closed periods during which the Warrants cannot be exercised.

Conditions of Exercise

Individual Warrants can only be exercised as a whole.

In order to exercise a Warrant, the Warrant Holder needs to submit an appropriate declaration to that effect (the exercise form) to the Board of Directors or to an authorized person designated by the Board of Directors, and needs at the same time to pay the Exercise Price into a bank account designated by the Company and opened in the name of the Company.

On the exercise form, the Warrant Holder needs to mention the number of Warrants he desires to exercise.

In case the bank account is not or not sufficiently credited prior to the end of the Exercise Period, the Warrants will be deemed not to be exercised. The Company will inform the Warrant Holder thereof and will reimburse the amount that was deposited too late or was insufficient as soon as possible within the limits set by law. The Warrants will consequently not be lost and remain exercisable at a later stage insofar the Exercise Term has not expired.

Exercise of the Warrants in accordance with the Law

In case a Warrant, that is not exercisable or cannot be exercised in accordance with the issuance conditions (as specified in the Plan), becomes prematurely exercisable pursuant to article 501 of the Code of Companies and is thus also prematurely exercised pursuant to article 501 of the Code of Companies, the New Shares that the Warrant Holders

receives as a result of such Exercise will be not transferable, except with the explicit prior consent of the Board of Directors, until such time the Warrant would have become exercisable in accordance with the Plan.

7. ISSUE OF THE NEW SHARES

The Company shall only be obliged to issue New Shares pursuant to the Exercise unless all exercise conditions set forth in chapter 6 have been complied with.

As soon as these exercise conditions are complied with, the New Shares will be issued, taking into account the time needed to fulfil the required administrative formalities. The Board of Directors shall to this effect timely at a date to be determined by the Board of Directors and at least once per semester have established the capital increase.

New Shares participate in the profit of the financial year of the Company that started on the first of January of the year in which the relevant New Shares have been issued.

In view of a rapid delivery of the shares resulting from the exercise of Warrants, the Company may propose to the Participant who has complied with the Exercise conditions to receive existing shares awaiting the issuance of New Shares by notary deed. In such case the Participant will receive an advance of existing shares subject to the condition that he signs an authorization by which the New Shares upon issuance will immediately and directly be delivered to the Company or to any other party who advanced him the existing shares.

The Board of Directors has granted power of attorney to two (2) members of the Board of Directors or to the managing Director, with possibility of sub-delegation, to take care of the establishment by notary deed of the acceptance of the Warrants offered, the exercise of the Warrants, the issuance of the corresponding number of New Shares, the payment of the exercise price in cash, the corresponding realization of the capital increase, the allocation to the unavailable account "issuance premiums" of the difference between the subscription price for the shares and the fractional value, to bring the Articles of Association in accordance with the new situation of the social capital, to sign and deliver the relevant Euroclear documents, and to sign and deliver all necessary documents in connection with the delivery of the shares (acquired as a result of the exercise of the Warrants) to the Beneficiary.

The Company will take the necessary actions to have the New Shares listed for trading on a regulated market as soon as they have been issued. The Company has not issued VVPR strips and has no intention to do so in the future.

8. CESSATION OF THE EMPLOYMENT- OR SERVICE RELATIONSHIP

Cessation of the employment- or service relationship

In case of Cessation of the Employment agreement after the end of the third calendar year following the date of the Offer, the Beneficiary will have time to exercise his not yet exercised Warrants within a six (6) month period as from the date on which he leaves employment or is otherwise no longer involved in the activities of the Company during an Exercise Period of two weeks to be determined by the Board of Directors.

If Cessation of the Employment agreement occurs prior to the end of the third calendar year following the date of the Offer, a part of the granted Warrants shall automatically become null and void as follows:

- 90 % in case the Cessation is situated prior to the first anniversary of the Offer;
- 80 % in case the Cessation is situated prior to the second anniversary of the Offer;
- 60 % in case the Cessation is situated prior to the third anniversary of the Offer;
- 40 % in case the Cessation is situated after the third anniversary of the Offer, but prior to the end of the third calendar year.

The Warrants that do not automatically become null and void are exercisable during a period of six (6) months, starting as from the first day of the fourth calendar year following the year of the Offer, during an Exercise Period of two weeks to be determined by the Board of Directors.

Decease

In case of decease of the Warrant Holder, all Warrants acquired by such Warrant Holder pass to his Personal Representative(s) and must mandatory be exercised within six (6) months, during an Exercise Period of two weeks to be determined by the Board of Directors. Warrants that are not exercised within such period will automatically become null and void.

Retirement

In case of retirement of the Warrant Holder, the Warrants acquired by the Warrant Holder must mandatory be exercised within six (6) months, during an Exercise Period of two weeks to be determined by the Board of Directors. Warrants that are not exercised within such period will automatically become null and void.

Sickness or Disability

In case of cessation of the employment agreement as a result of long term sickness or disability, the Warrants acquired by the Warrant Holder must mandatory be exercised within six (6) months, during an Exercise Period of two weeks to be determined by the Board of Directors. Warrants that are not exercised within such period will automatically become null and void.

Deviations

The Board of Directors may at its discretion decide to deviate at any time from the provisions set forth in this chapter 8.

9. PROTECTIVE MEASURES

The Board of Directors may take appropriate measures to safeguard the interests of the Warrant Holder in case:

- a fundamental change in the control of the Company occurs;
- a fundamental change in the regulations occurs;
- a serious and exceptional circumstance jeopardizing the rights of the Beneficiaries occurs.

This Plan will, if required by the circumstances, be amended by the Company. The Beneficiary shall be informed of such amendments and will be bound by them. The amendments may in no event affect the essential provisions of the Plan. The amendments may not harm the rights of the under this Plan existing Warrant Holder. In the event the rights of the under this Plan existing Warrant Holder would be harmed, the amendments may not be made without their agreement.

10. DISPUTE RESOLUTION

All disputes relating to this Plan will be brought to the attention of the Board of Directors, who may propose an amicable settlement for a dispute, as the case may be. If required the dispute will be submitted to Courts and Tribunals competent for the judicial area of Mechelen (Belgium) whereby all parties involved shall make election of domicile at the seat of the Company. This Plan is governed by Belgian law.
