Special report of the Board of Directors in accordance with article 583 of the Belgian Companies Code

Issuance of warrants for the benefit of employees, directors and an independent consultant of the Company and its subsidiaries

"Warrant Plan 2016" and "Warrant Plan 2016 RMV"

1 Introduction: subject matter of this report

This report is drawn up on 1 June 2016 by the Board of Directors of the Company in accordance with the provisions of article 583 of the Belgian Companies Code.

In this report, the Board of Directors gives an extensive explanation and justification relating to the proposed issuance and exercise conditions of warrants.

This report relates to the proposal of the issuance of 865,000 naked warrants (hereinafter "**Warrants**") for the benefit of employees, directors and an independent consultant of the Company and its subsidiaries under (i) a warrant plan intended for the employees of the Company's French subsidiary Galapagos SASU ("**Warrant Plan 2016 RMV**"), and (ii) a warrant plan intended for other employees, directors and an independent consultant of the Company and its subsidiaries ("**Warrant Plan 2016**", and together with Warrant Plan 2016 RMV, the "**Warrant Plans**").

The Board of Directors proposes to cancel the preferential subscription rights of the shareholders of the Company, in accordance with articles 596 and 598 of the Belgian Companies Code, in connection with the proposed issuance of the Warrants. In this context, the Board of Directors further refers to the report that the Board has established in accordance with the aforementioned provisions.

2 Proposed transaction

The Board of Directors proposes the issuance of up to 865,000 Warrants in the framework of the remuneration and hiring policy of the Company for employees. Furthermore, these Warrants can also be granted as compensation to the Company's directors and to independent consultants who render services to the Company and/or its subsidiaries. The number of Warrants reserved for directors (as approved by the Annual Shareholders' Meeting held on 26 April 2016) and an independent consultant amounts to 212,500. The Warrants will be used by the Board of Directors for Warrant Plan 2016 (see [Annex 1](#) of this report) and Warrant Plan 2016 RMV (see [Annex 2](#) of this report), among others to stimulate the involvement and motivation of the beneficiaries and to implement promises and undertakings made at the occasion of the taking on of new employees and/or Directors.

Decisions relating to the granting of Warrants to members of the Company's Board of Directors belong to the exclusive authority of the Company's Shareholders' Meeting.

3 Justification

The Board of Directors is of the opinion that the issuance of the Warrants is in the interest of the Company and its subsidiaries as, on the one hand, it enables the Company and its subsidiaries to attract new financial means and, on the other hand, it creates the possibility to achieve one or more of the following objectives:

- to more closely involve the employees, the management and the directors with the Company and to reward the contribution of the beneficiaries of the Warrants to the success of the Company;
- to stimulate and motivate the employees, the management and the directors on medium and long term;
- to attract and retain employees, management, directors and independent consultants with the necessary experience and skills;
- to bring the interests of the beneficiaries of the Warrants in line with the interests of the Company by offering them the possibility to participate in the growth of the value of the Company.

The offering of Warrants to the members of the Board of Directors and members of the Executive Committee and the exercise thereof is not subject to performance criteria. Therefore, the Warrants attributed to the members of the Board of Directors (including the CEO) and members of the Executive Committee are not considered to be (performance-related or other) variable remuneration.

The Board of Directors further points out that the 2009 Belgian Code on Corporate Governance sets out that non-executive Directors should not be entitled to performance-related remuneration, such as stock related long-term incentive schemes. In deviation from this provision, the Board of Directors proposes herewith to grant Warrants to non-executive Directors. As mentioned above, Warrants attributed to the members of the Board of Directors are not considered to be (performance-related or other) variable remuneration. In addition, by doing so, the Company has additional possibilities to attract and retain competent non-executive Directors and to offer them an additional remuneration that does not affect the cash position of the Company. Moreover, the grant of warrants is a commonly used method in the sector in which the Company operates; without this possibility, the Company would be confronted with a considerable disadvantage compared to peers who do offer stock-related incentive schemes to their non-executive Directors. The Board of Directors is of the opinion that the granting of Warrants has no negative impact on the functioning of the non-executive Directors.

Finally, the Board of Directors notes that schemes under which executive managers are remunerated in warrants should be subject to prior shareholder approval by way of a resolution at the general shareholders' meeting pursuant to Principle 7.13 of the Belgian Corporate Governance Code 2009. The offer of warrants to executive managers under these Warrant Plans has been approved by the Annual Shareholders' Meeting of the Company held on 26 April 2016.

4 Conditions of issuance and exercise of the Warrants; Power of Attorney.

The proposed conditions of issuance and exercise of the Warrants are set forth hereafter in the Warrant Plans that are attached hereto as [Annex 1](#) (Warrant Plan 2016) and [Annex 2](#) (Warrant Plan 2016 RMV).

The Board of Directors grants a power of attorney to any two (2) members of the Board of Directors acting jointly, as well as to the managing Director acting individually, with possibility of sub-delegation and the power of subrogation, to cater for the establishment by notary deed of the acceptance of the offered Warrants, the exercise of the Warrants, the issuance of the corresponding number of new shares, the payment of the exercise price in cash, the corresponding realization of the capital increase, the allocation to the unavailable account "issuance premiums" of the difference between the subscription price for the shares and the accounting par value, to bring the Articles of Association in accordance with the new situation of the registered capital, to sign and deliver the relevant Euroclear

and bank documentation, and to sign and deliver all necessary documents in connection with the delivery of the shares (acquired as a result of the exercise of the Warrants) to the beneficiaries.

Made and approved on 1 June 2016.

3 Warrants

3.1 General

The number of Warrants issued in the framework of this Plan is maximum 745,000. These Warrants will be designated as "Warrants 2016". The detail of the number of Warrants per Beneficiary, offered under this Plan, is set forth in [Annex A](#) to this Plan.

The Warrants are granted by the Company to the Beneficiaries for free.

Each Warrant entitles the Beneficiary to subscribe to one New Share in accordance with the terms and conditions of the Plan.

Offers under this Plan do not need to be the same for every Beneficiary.

3.2 Number per Beneficiary

The number of Warrants to be offered to the Beneficiaries is determined by the Board of Directors and, as regards the Directors of the Company, by the Shareholders' Meeting of the Company. This number is set forth in [Annex A](#).

3.3 Transfer restrictions

The Warrants received are registered in the name of the Warrant Holder and cannot be transferred *inter vivos* once granted to a Beneficiary.

The Warrants cannot be encumbered by any pledge or in any other manner.

Warrants that, in contravention with the foregoing, are transferred or encumbered shall automatically become null and void.

3.4 Exercise Price

The Board of Directors shall determine the Exercise Price per Warrant at the moment of the Offer.

As the Shares of the Company are listed or traded on a regulated market at the date of the Offer, the Exercise Price of the Warrants for an Offer to an Employee will, at the election of the Board of Directors, at least be equal to (a) the closing price of the Share of the Company on Euronext Amsterdam and Brussels on the last trading day preceding the date of the Offer, or (b) the average of the closing price of the Share of the Company on Euronext Amsterdam and Brussels during the last thirty (30) days preceding the date of the Offer. For an Offer to a Consultant or a Director, the Exercise Price will, in accordance with article 598 of the Belgian Companies Code, at least amount to the average of the closing price of the Share of the Company on Euronext Amsterdam and Brussels during the last thirty (30) days preceding the date of the Offer. In no event will the Exercise Price be lower than the accounting par value (rounded up to the higher eurocent) of the Shares at the date of the issuance of the Warrants.

Upon Exercise and subsequent capital increase the Exercise Price must be booked as capital for an amount equal to the accounting par value of the Shares at the moment of the establishment of the capital increase resulting from the Exercise. The part of the Exercise Price that exceeds the accounting par value must be booked as an issuance premium.

In deviation of article 501 of the Belgian Companies Code and without prejudice to the exceptions provided by law, the Company, represented by the Board of Directors, expressly reserves the right to take any possible decisions and to carry out any possible transactions which may have an impact on its capital, on the distribution of the profit or on the liquidation surpluses or that may otherwise affect the rights of the Warrant Holders (with the exception of those causing an increase of the accounting par value of the existing Shares (in order not to conflict with article 582 of the Belgian Companies Code)), even in the event that these decisions might cause a reduction of the benefits offered to the Warrant Holders, unless the only purpose of these decisions and transactions would be such reduction of benefits.

Should the rights of the Warrant Holder be affected by such a decision or transaction, the Warrant Holder shall not be entitled to a modification of the Exercise Price, a modification of the exercise conditions or any other form of (financial or other) compensation. The Company, represented by the Board of Directors, may, in its sole discretion, make modifications to (i) the number of Shares that relates to one Warrant and/or (ii) the Exercise Price. As soon as reasonably practicable, the Board of Directors shall give notice in writing of such modification to the relevant Warrant Holder.

In case of a merger, demerger or stock-split of the Company, the rights of the outstanding Warrants and/or the Exercise Price of the Warrants shall be adjusted in accordance with the conversion ratio applicable at the occasion of the merger, demerger or the stock-split to the other shareholders.

3.5 Administration of the Warrant Plan

The Company is responsible for the management and the administration of the Plan and ensures that all questions of Beneficiaries or Warrant Holders are answered accurately and rapidly.

4 Beneficiaries of the Plan

Beneficiaries are the individuals as indicated in section 2 ("Definitions - Beneficiary").

The Warrants under this Plan are in majority reserved for and granted to Employees. The number of Beneficiaries consists in minority of Directors and Consultants and in majority of Employees.

5 Acceptance or Refusal of the Offer

The Beneficiaries have the possibility to accept the individual Offer in whole, in part or not at all. Each Beneficiary shall receive a Notice of Acceptance form wherein the Beneficiary mentions his/her decision regarding the Offer: (full or partial) Acceptance or Refusal. Acceptance of the Offer has to be formally established by ticking the relevant paragraph in the Notice of Acceptance.

The Notice of Acceptance needs to be returned prior to the ultimate date of response as set forth in the Notice of Acceptance, duly completed and signed, to the address mentioned in the Notice of Acceptance. Such ultimate date of response cannot be later than 75 calendar days after the date of the Offer.

In case the Beneficiary has not accepted the Offer in writing prior to the date mentioned in the Notice of Acceptance, he shall be deemed to have refused the Offer.

For the purposes of this Plan (including for Belgian fiscal reasons), the grant of the Warrants shall be deemed to take place on the sixtieth day following the date of the Offer if the Offer is accepted within sixty days after the date of the Offer.

The Warrants are registered in the name of the Beneficiary. In case of acceptance, the Beneficiary will be recorded as a Warrant Holder in the register of warrant holders of the Company. This register is kept at the registered office of the Company, mentioning the identity of the Warrant Holders and previous warrant holders and the number of Warrants held by them. The Warrant Holder will receive a confirmation of the number of Warrants he has accepted.

The Nomination and Remuneration Committee may decide to replace or complete the Notice of Acceptance by or with a written Warrant Agreement to be signed by the Warrant Holder and the Company and which shall contain the conditions determined by the Nomination and Remuneration Committee, in accordance with this Plan.

The Beneficiary who has accepted the Offer will receive the Warrants as soon as these have been issued by the Deed of Issuance.

6 Exercise and Payment Conditions

6.1 Exercise Term

The Exercise Term is eight (8) years, starting from the date of the Offer.

6.2 Vesting of Warrants

Except to the extent expressly stated otherwise in this Plan or decided otherwise by the Board of Directors in accordance with section 8.4, the Warrants will vest as follows:

- for Warrant Holders who are Employees or Consultants: all granted Warrants will fully vest on the first day of the fourth calendar year following the calendar year in which the Grant was made; and
- for Warrant Holders who are Directors: 1/36th of the granted Warrants will vest per started month following the Deed of Issuance.

6.3 Exercise Period

Warrants may not be exercised until the end of the third calendar year following the calendar year in which the Grant was made.

As of the commencement of the fourth calendar year following the calendar year in which the Grant was made, all vested Warrants may be exercised, during an Exercise Period.

The Board of Directors will establish at least one Exercise Period of two weeks per semester. It is the responsibility of the Beneficiary to timely seek information from the Company relating to the establishment of Exercise Periods.

The Board of Directors may decide, in accordance with the applicable rules relating to abuse of insider information, to establish closed periods during which the Warrants cannot be exercised.

6.4 Conditions of Exercise

Individual Warrants can only be exercised as a whole.

In order to exercise a Warrant, the Warrant Holder needs to submit an appropriate declaration to that effect (the exercise form) to the Board of Directors or to an authorized person designated by the Board of Directors, and to pay the Exercise Price into a bank account designated by the Company and opened in the name of the Company.

On the exercise form, the Warrant Holder needs to mention the number of Warrants he desires to exercise.

In case the bank account is not or not sufficiently credited prior to the end of the Exercise Period, the Warrants will be deemed not to be exercised. The Company will inform the Warrant Holder thereof and will reimburse the amount that was deposited too late or was insufficient as soon as possible within the limits set by law. The Warrants will consequently not be lost and remain exercisable at a later stage insofar as the Exercise Term has not expired.

6.5 Exercise of the Warrants in accordance with the Belgian Companies Code

In case a Warrant, that is not exercisable or cannot be exercised in accordance with the issuance conditions (as specified in the Plan), becomes prematurely exercisable pursuant to article 501 of the Belgian Companies Code and is thus also prematurely exercised pursuant to article 501 of the Belgian Companies Code, the New Shares that the Warrant Holders receives as a result of such Exercise will not be transferable, except with the explicit prior consent of the Board of Directors, until such time as the Warrant would have become exercisable in accordance with the Plan.

6.6 Change in Control of the Company

Notwithstanding anything to the contrary in this Plan, in the event of a change in Control of the Company, all Warrants that are still outstanding under this Plan at such time shall, in principle, immediately vest (to the extent they had not all vested yet) and become immediately exercisable during an Exercise Period determined by the Board of Directors, provided, however, that in compliance with applicable (tax) laws the Board of Directors is authorized to establish certain conditions for such vesting and/or exercising that will be applicable to some or all of the Warrant Holders involved, and provided further that, in the event a public takeover bid is made on the securities of the Company, the Warrants shall immediately become fully vested and exercisable as from the date of the announcement of such public takeover bid by the FSMA. In such case, the Board of Directors shall establish an Exercise Period as soon as practicable following the announcement of such public takeover bid.

7 Issuance of New Shares

The Company shall only be obliged to issue New Shares pursuant to the Exercise of Warrants if all exercise conditions set forth in chapter 6 have been complied with.

As soon as these exercise conditions are complied with, the New Shares will be issued, taking into account the time needed to fulfill the required administrative formalities. The Board of Directors shall to this effect timely, at a date to be determined by the Board of Directors and at least once per semester, have the capital increase established by notary deed.

New Shares participate in the profit of the financial year of the Company that started on the first of January of the year in which the relevant New Shares have been issued.

In view of a rapid delivery of the Shares resulting from the exercise of Warrants, the Company may propose to the Warrant Holders who have complied with the exercise conditions to receive existing Shares awaiting the issuance of New Shares by notary deed. In such case the Warrant Holders will receive an advance of existing Shares subject to the condition that they sign an authorization by which the New Shares will, upon issuance, immediately and directly be delivered to the Company or to any other party who advanced them the existing Shares.

The Board of Directors has granted power of attorney to any two (2) members of the Board of Directors acting jointly, as well as to the managing Director acting individually, with possibility of sub-delegation and the power of subrogation, to take care of the establishment by notary deed of the acceptance of the Warrants offered, the exercise of the Warrants, the issuance of the corresponding number of New Shares, the payment of the exercise price in cash, the corresponding realization of the capital increase, the allocation to the unavailable account "issuance premiums" of the difference between the subscription price for the Shares and the accounting par value, to bring the Articles of Association in accordance with the new situation of the registered capital, to sign and deliver the relevant Euroclear and bank documentation, and to sign and deliver all necessary documents in connection with the delivery of the Shares (acquired as a result of the exercise of the Warrants) to the Beneficiaries.

The Company will take the necessary actions to have the New Shares listed for trading on a regulated market as soon as they have been issued. The Company has not issued VVPR strips and has no intention to do so in the future.

8 Cessation of the Employment or Service Relationship or of the Director's Mandate

8.1 Good Leaver Situation

If a Good Leaver Situation arises with respect to a Warrant Holder, the Warrants of said Warrant Holder shall continue to vest (if unvested) and, if and when vested, the Exercise Term of the non-exercised Warrants shall remain unchanged and the Warrant Holder will have the time to exercise his non-exercised Warrants during each Exercise Period within the Exercise Term.

If the Good Leaver Situation is caused by the decease of the relevant Warrant Holder, all Warrants held by such Warrant Holder shall pass to his Personal Representative(s) and, upon vesting of the Warrants, the Personal Representative(s) will be able to exercise the non-exercised Warrants during each Exercise Period within the Exercise Term.

8.2 Bad Leaver Situation

8.2.1 After the end of the third calendar year

In case a Bad Leaver Situation occurs after the end of the third calendar year following the calendar year in which the Grant was made, the relevant Warrant Holder will have time to exercise, during an Exercise Period, his non-exercised Warrants until six months after the date of the Bad Leaver Situation. All his remaining non-exercised Warrants shall become null and void upon the expiry of such six-month period.

8.2.2 Before the end of the third calendar year

In case the Bad Leaver Situation occurs before the end of the third calendar year following the calendar year in which the Grant was made, all granted Warrants shall automatically become null and void.

8.3 Change of employment

8.3.1 In case of a cessation of the employment agreement or consultancy agreement of the relevant Warrant Holder accompanied by a simultaneous (other) employment or appointment of the relevant Warrant Holder (or a company Controlled by the Warrant Holder) as a Consultant,

Employee or Director of the Company or a Subsidiary, the Warrants of said Warrant Holder shall continue to vest as set forth in Section 6.2 (if unvested) and, if and when vested, the Exercise Term of the non-exercised Warrants shall remain unchanged and the Warrant Holder will have the time to exercise his non-exercised Warrants during each Exercise Period within the Exercise Term.

8.3.2 If, however, at any time following such change as described in section 8.3.1, a Bad Leaver Situation occurs with respect to such Warrant Holder, then the rules set forth in section 8.2 shall apply.

8.4 Deviations

The Board of Directors may at its discretion decide to deviate at any time from the provisions set forth in this chapter 8.

9 Amendments and Modifications

The Board of Directors is authorized to take appropriate measures to safeguard the interests of the Warrant Holders in case:

- a fundamental change in the Control of the Company occurs;
- a fundamental change in the applicable laws or regulations occurs; or
- a serious and exceptional circumstance jeopardizing the rights of the Beneficiaries occurs.

In addition, the Board of Directors may amend the provisions of this Plan to the benefit of the Warrant Holders, to the extent that the contemplated amendments comply with all applicable laws.

This Plan may, if required by the circumstances, be amended by the Company. The Beneficiary shall be informed of such amendments and will be bound by them. The amendments may in no event affect the essential provisions of the Plan. The amendments may not harm the rights of the under this Plan existing Warrant Holders. In the event the rights of the under this Plan existing Warrant Holders would be harmed, the amendments may not be made without their agreement.

10 Dispute Resolution

All disputes relating to this Plan will be brought to the attention of the Board of Directors, who may propose an amicable settlement for a dispute, as the case may be. If required the dispute will be submitted to Courts and Tribunals competent for the judicial area of Antwerp, department of Mechelen (Belgium) whereby all parties involved shall make election of domicile at the seat of the Company. This Plan is governed by Belgian law.

The Plan is not subject to the provisions of the U.S. Employee Retirement Income Security Act of 1974, as amended, and is not a qualified plan under Section 401(a) of the U.S. Internal Revenue Code.

11 Final Provisions

11.2 Taxes and Social Security Treatment

The Company or a Subsidiary shall be entitled, in accordance with the applicable law or customs, to apply a withholding on the cash salary or the compensation for the month in which the taxable moment occurs or on the cash salary or the compensation of any other following month, and/or the Beneficiary shall be obliged to pay to the Company or a Subsidiary (if so required by the Company or by a Subsidiary) the amount of any tax and/or social security contributions due or payable because of the

11.4 Relation to employment, consultancy or management agreement or director's mandate

No person has a right to participate in this Plan and a participation in this Plan does not give the Beneficiaries a right to future grants of additional Warrants. The grant of Warrants under this Plan does not contain a promise of a continuous employment by the Company or its Subsidiaries.

Notwithstanding any provision of the Plan, the rights and obligations of any individual or entity as determined in the provisions of his/her director's mandate, employment agreement or consultancy or management agreement concluded with the Company or a Subsidiary shall not be affected by his/her participation in the Plan or by any right that he/she may have to participate therein.

An individual to whom Warrants are granted in accordance with the Plan shall not be entitled to any damages or compensation as a result of the cessation of his mandate, employment agreement or consultancy or management agreement with the Company or a Subsidiary, based on any reason whatsoever, to the extent that these rights would arise or might arise based on the cessation of the rights he/she might have or the claims he/she could make concerning the exercise of Warrants pursuant to the Plan because of the cessation of such agreement or by reason of the loss or decrease in value of the rights or benefits.

No one can place a lien on any Warrant granted to the Beneficiaries under the Plan.

11.10 U.S. Federal Tax Consequences for Participating in the Plan

The following discussion summarizes the current principal U.S. federal income tax consequences of certain transactions under the Plan **if the Beneficiary is subject to U.S. taxes**. It does not describe all U.S. federal tax consequences under the Plan, nor does it describe state or local tax consequences that may vary from jurisdiction to jurisdiction. The Beneficiary is advised to consult with a competent tax advisor for additional information about the Beneficiary’s particular circumstances.

The Beneficiary will not have taxable income in the U.S. when the Beneficiary is granted a Warrant. When the Beneficiary Exercises a Warrant, the Beneficiary will have taxable ordinary income in the U.S. equal to the excess of the fair market value of the Shares received on the Exercise date over the price the Beneficiary paid for the Warrant. The Beneficiary’s tax basis for the Shares that the Beneficiary acquires when the Beneficiary Exercises a Warrant will be increased by the amount of such taxable income. The Company will be entitled to a federal income tax deduction in an amount equal to the ordinary income that the Beneficiary recognizes. When the Beneficiary sells the Shares that the Beneficiary acquired by Exercising Warrants, the Beneficiary will realize long-term or short-term capital gain or loss, depending upon the Beneficiary’s holding period for such Shares.

If the Beneficiary surrenders Shares in payment of the Exercise Price of a Warrant, the Beneficiary will not recognize gain or loss on the Beneficiary’s surrender of such Shares. However, the Beneficiary will recognize ordinary income on the Exercise of the Warrants as described above. The number of Shares the Beneficiary receives in such an exchange that is equal to the number of Shares the Beneficiary surrendered will have the same tax basis and capital gains holding period as the Shares surrendered. The balance of the Shares received will have a tax basis equal to the fair market value of the Shares on the date of Exercise, and the capital gains holding period for those Shares will begin on the date of Exercise.

If the Beneficiary chooses to Exercise his Warrant by means of a cashless exercise facility, the Beneficiary will receive cash in an amount equal the difference between the net proceeds of the sale of the underlying Share of the Exercised Warrant and the Exercise Price of the Exercised Warrant. This same amount will be taxable at ordinary income rates in the U.S.

3 Warrants

3.1 General

The number of Warrants issued in the framework of this Plan is maximum 120,000. These Warrants will be designated as "Warrants 2016 RMV". The detail of the number of Warrants per Beneficiary, offered under this Plan, is set forth in [Annex A](#) to this Plan.

The Warrants are granted by the Company to the Beneficiaries for free.

Each Warrant entitles the Beneficiary to subscribe to one New Share in accordance with the terms and conditions of the Plan.

Offers under this Plan do not need to be the same for every Beneficiary.

3.2 Number per Beneficiary

The number of Warrants to be offered to the Beneficiaries is determined by the Board of Directors, and as regards any Employees who are also a member of the Board of Directors of the Company, in accordance with the authorization granted by the Shareholders' Meeting of the Company. This number is set forth in [Annex A](#).

3.3 Transfer restrictions

The Warrants received are registered in the name of the Warrant Holder and cannot be transferred *inter vivos* once granted to a Beneficiary.

The Warrant cannot be encumbered by any pledge or in any other manner.

Warrants that, in contravention with the foregoing, are transferred or encumbered shall automatically become null and void.

3.4 Exercise Price

The Board of Directors shall determine the Exercise Price per Warrant on the day when the Offer of Warrants to the Beneficiaries is made.

As the Shares of the Company are listed or traded on a regulated market at the date of the Offer, the Exercise Price of the Warrants shall be determined by the Board of Directors, and shall be at least equal to the higher of (a) 80% of the average of the closing price of the Share of the Company on Euronext Amsterdam and Brussels during the last twenty (20) trading days preceding the Board of Director's decision and (b) the average of the closing price of the Share of the Company on Euronext Amsterdam and Brussels during the last thirty (30) days preceding the date of the Offer.

Upon Exercise and subsequent capital increase the Exercise Price must be booked as capital for an amount equal to the accounting par value of the Shares at the moment of the establishment of the capital increase resulting from the Exercise. The part of the Exercise Price that exceeds the accounting par value must be booked as an issuance premium.

3.5 Administration of the Warrant Plan

The Company is responsible for the management and the administration of the Plan and ensures that all questions of Beneficiaries or Warrant Holders are answered accurately and rapidly.

4 Beneficiaries of the Plan

Beneficiaries are the individuals as indicated in section 2 ("Definitions - Beneficiary").

Warrants shall not be granted to Employees holding more than 10% of the Company's share capital.

5 Acceptance or Refusal of the Offer

The Beneficiaries have the possibility to accept the individual Offer in whole, in part or not at all. Each Beneficiary shall receive a Notice of Acceptance form wherein the Beneficiary mentions his/her decision regarding the Offer: (full or partial) Acceptance or Refusal. Acceptance of the Offer has to be formally established by ticking the relevant paragraph in the Notice of Acceptance.

The Notice of Acceptance needs to be returned prior to the ultimate date of response as set forth in the Notice of Acceptance, duly completed and signed, to the address mentioned in the Notice of Acceptance. Such ultimate date of response cannot be later than 75 calendar days after the date of the Offer.

In case the Beneficiary has not accepted the Offer in writing prior to the date mentioned in the Notice of Acceptance, he shall be deemed to have refused the Offer.

For the purposes of this Plan (including for Belgian fiscal reasons), the Warrants shall be deemed to be granted on the sixtieth day following the date of the Offer if the Offer is accepted within sixty days after the date of the Offer.

The Warrants are registered in the name of the Beneficiary. In case of acceptance, the Beneficiary will be recorded as a Warrant Holder in the register of warrant holders of the Company. This register is kept at the registered office of the Company, mentioning the identity of the Warrant Holders and previous

warrant holders and the number of Warrants held by them. The Warrant Holder will receive a confirmation of the number of Warrants he has accepted.

The Nomination and Remuneration Committee may decide to replace or complete the Notice of Acceptance by or with a written Warrant Agreement to be signed by the Warrant Holder and the Company and which shall contain the conditions determined by the Nomination and Remuneration Committee, in accordance with this Plan.

The Beneficiary who has accepted the Offer will receive the Warrants as soon as these have been issued by the Deed of Issuance.

6 Exercise and Payment Conditions

6.1 Exercise Term

The Exercise Term is eight (8) years, starting from the date of the Offer.

6.2 Vesting of Warrants

Except to the extent expressly stated otherwise in this Plan or decided otherwise by the Board of Directors in accordance with section 8.4, all granted Warrants will fully vest on the first day of the fourth calendar year following the calendar year in which the Grant was made.

6.3 Exercise Period

Warrants may not be exercised until the end of the third calendar year following the calendar year in which the Grant was made.

As of the commencement of the fourth calendar year following the calendar year in which the Grant was made, all vested Warrants may be exercised, during an Exercise Period.

The Board of Directors will establish at least one Exercise Period of two weeks per semester. The Exercise Periods shall be notified by or on behalf of the Company to the Beneficiaries.

The Board of Directors shall decide, when required, in accordance with the applicable rules relating to abuse of insider information, to establish closed periods during which the Warrants cannot be exercised.

6.4 Conditions of Exercise

Individual Warrants can only be exercised as a whole.

In order to exercise a Warrant, the Warrant Holder needs to submit an appropriate declaration to that effect (the exercise form) to the Board of Directors or to an authorized person designated by the Board of Directors, and to pay the Exercise Price into a bank account designated by the Company and opened in the name of the Company.

On the exercise form, the Warrant Holder needs to mention the number of Warrants he desires to exercise.

In case the bank account is not or not sufficiently credited prior to the end of the Exercise Period, the Warrants will be deemed not to be exercised. The Company will inform the Warrant Holder thereof and will reimburse the amount that was deposited too late or was insufficient as soon as possible within the limits set by law. The Warrants will consequently not be lost and remain exercisable at a later stage insofar as the Exercise Term has not expired.

6.5 Exercise of the Warrants in accordance with the Belgian Companies Code

In case a Warrant, that is not exercisable or cannot be exercised in accordance with the issuance conditions (as specified in the Plan), becomes prematurely exercisable pursuant to article 501 of the Belgian Companies Code and is thus also prematurely exercised pursuant to article 501 of the Belgian Companies Code, the New Shares that the Warrant Holders receives as a result of such Exercise will not

be transferable, except with the explicit prior consent of the Board of Directors, until such time as the Warrant would have become exercisable in accordance with the Plan.

6.6 Change in Control of the Company

Notwithstanding anything to the contrary in this Plan, in the event of a change in Control of the Company, all Warrants that are still outstanding under this Plan at such time shall, in principle, immediately vest (to the extent they had not all vested yet) and become immediately exercisable during an Exercise Period determined by the Board of Directors, provided, however, that in compliance with applicable (tax) laws the Board of Directors is authorized to establish certain conditions for such vesting and/or exercising that will be applicable to some or all of the Warrant Holders involved, and provided further that, in the event a public takeover bid is made on the securities of the Company, the Warrants shall immediately become fully vested and exercisable as from the date of the announcement of such public takeover bid by the FSMA. The Board of Directors shall establish an Exercise Period as soon as practicable following the announcement of such public takeover bid.

7 Issuance of New Shares

The Company shall only be obliged to issue New Shares pursuant to the Exercise of Warrants if all exercise conditions set forth in chapter 6 have been complied with.

As soon as these exercise conditions are complied with, the New Shares will be issued, taking into account the time needed to fulfill the required administrative formalities. The Board of Directors shall to this effect timely at a date to be determined by the Board of Directors and at least once per semester have the capital increase established by notary deed.

New Shares participate in the profit of the financial year of the Company that started on the first of January of the year in which the relevant New Shares have been issued.

In view of a rapid delivery of the Shares resulting from the exercise of Warrants, the Company may propose to the Warrant Holders who have complied with the exercise conditions to receive existing Shares awaiting the issuance of New Shares by notary deed. In such case the Warrant Holders will receive an advance of existing Shares subject to the condition that they sign an authorization by which the New Shares will, upon issuance, immediately and directly be delivered to the Company or to any other party who advanced them the existing Shares.

The Board of Directors has granted power of attorney to any two (2) members of the Board of Directors acting jointly, as well as to the managing Director acting individually, with possibility of sub-delegation and the power of subrogation, to take care of the establishment by notary deed of the acceptance of the Warrants offered, the exercise of the Warrants, the issuance of the corresponding number of New Shares, the payment of the exercise price in cash, the corresponding realization of the capital increase, the allocation to the unavailable account "issuance premiums" of the difference between the subscription price for the Shares and the accounting par value, to bring the Articles of Association in accordance with the new situation of the registered capital, to sign and deliver the relevant Euroclear and bank documentation, and to sign and deliver all necessary documents in connection with the delivery of the Shares (acquired as a result of the exercise of the Warrants) to the Beneficiaries.

The Company will take the necessary actions to have the New Shares listed for trading on a regulated market as soon as they have been issued. The Company has not issued VVPR strips and has no intention to do so in the future.

8 Cessation of the Employment relationship

8.1 Good Leaver Situations

If a Good Leaver Situation arises with respect to a Warrant Holder, the Warrants of said Warrant Holder shall continue to vest as set forth in Section 6.2 (if unvested) and, if and when vested, the Exercise

Term of the non-exercised Warrants shall remain unchanged and the Warrant Holder will have the time to exercise his non-exercised Warrants during each Exercise Period within the Exercise Term.

As an exception, if the Good Leaver Situation is caused by the decease of the relevant Warrant Holder, all Warrants held by such Warrant Holder shall pass to his Personal Representative(s) and the Personal Representative(s) will be able to exercise the non-exercised Warrants during a six-month period as from the death of the Warrant Holder. All the remaining non-exercised Warrants held by the Personal Representative(s) of the Warrant Holder shall become null and void upon the expiry of such six-month period.

8.2 Bad Leaver Situation

8.2.1 After the end of the third calendar year

In case a Bad Leaver Situation occurs after the end of the third calendar year following the calendar year in which the Grant was made, the relevant Warrant Holder will have time to exercise, during an Exercise Period, his non-exercised Warrants until six months after the date of the Bad Leaver Situation. All his remaining non-exercised Warrants shall become null and void upon the expiry of such six-month period.

8.2.2 Before the end of the third calendar year

In case the Bad Leaver Situation occurs before the end of the third calendar year following the calendar year in which the Grant was made, all granted Warrants shall automatically become null and void.

8.3 Change of employment

8.3.1 In case of a cessation of the employment agreement or consultancy agreement of the relevant Warrant Holder accompanied by a simultaneous (other) employment or appointment of the relevant Warrant Holder (or a company Controlled by the Warrant Holder) as a Consultant, Employee or Director of the Company or a Subsidiary, the Warrants of said Warrant Holder shall continue to vest as set forth in Section 6.2 (if unvested) and, if and when vested, the Exercise Term of the non-exercised Warrants shall remain unchanged and the Warrant Holder will have the time to exercise his non-exercised Warrants during each Exercise Period within the Exercise Term.

8.3.2 If, however, at any time following such change as described in Section 8.3.1:

- (i) the Warrant Holder unilaterally terminates his employment agreement or his mandate as a Director or his consultancy agreement with the Company or a Subsidiary; or
- (ii) the Company or a Subsidiary terminates the employment agreement or his mandate as a Director or terminates his consultancy agreement because of a breach or insufficiency by the Warrant Holder in the performance of the employment agreement or a breach by the Warrant Holder of his obligations as a Consultant or Director,

then such termination shall also be deemed to be a Bad Leaver Situation and the rules set forth in Section 8.2 shall apply.

8.4 Deviations

The Board of Directors may at its discretion decide to deviate at any time from the provisions set forth in this chapter 8, provided that such provisions comply with compulsory statutory provisions (in particular with article L. 225-183 paragraph 3 of the French Commercial Code).

9 Amendments and Modifications

In case of share capital amortization, share capital decrease, change in the distribution of the profits, allocation of free Company's shares, share capital increase through incorporation of reserves, profits or

premiums, distribution of reserves, or any rights issue of shares or other securities in respect of which the existing shareholders are entitled to exercise preferential subscription rights, the Company shall take any necessary measure in order to protect the Beneficiaries' interests in accordance with the applicable provisions of the French Commercial Code.

The Board of Directors is authorized to take appropriate measures to safeguard the interests of the Warrant Holders in case:

- a fundamental change in the Control of the Company occurs;
- a fundamental change in the applicable laws or regulations occurs; or
- a serious and exceptional circumstance jeopardizing the rights of the Beneficiaries occurs.

In addition, the Board of Directors may amend the provisions of this Plan to the benefit of the Warrant Holders, to the extent that the contemplated amendments comply with all applicable laws.

This Plan may, if required by the circumstances, be amended by the Company. The Beneficiary shall be informed of such amendments and will be bound by them. The amendments may in no event affect the essential provisions of the Plan. The amendments may not harm the rights under this Plan of the existing Warrant Holders. In the event the rights of the existing Warrant Holders under this Plan would be harmed, the amendments may not be made without their agreement.

10 Dispute Resolution

All disputes relating to this Plan will be brought to the attention of the Board of Directors, who may propose an amicable settlement for a dispute, as the case may be. If required the dispute will be submitted to Courts and Tribunals competent for the judicial area of Antwerp, department of Mechelen (Belgium) whereby all parties involved shall make election of domicile at the seat of the Company. This Plan is governed by Belgian law.

11 Final Provisions

11.1 Additional Information

The Company will provide the Beneficiary at his request with a copy of the articles of association of the Company and any amendments thereto.

11.2 Taxes and Social Security Treatment

The Company or a Subsidiary shall be entitled, in accordance with the applicable law or customs, to apply a withholding on the cash salary or the compensation for the month in which the taxable moment occurs or on the cash salary or the compensation of any other following month, and/or the Beneficiary shall be obliged to pay to the Company or a Subsidiary (if so required by the Company or by a Subsidiary) the amount of any tax and/or social security contributions due or payable because of the fact of the grant, the acceptance, the fact that Warrants become susceptible of being exercised or of the exercise of the Warrants, or due or payable in respect of the delivery of the New Shares.

Stamp duties, stock exchange taxes and similar charges and taxes levied at the occasion of the exercise of the Warrants and/or the delivery of the New Shares or existing Shares shall be borne by the Warrant Holder.

Costs relating to the issue of the Warrants or to the issue of New Shares shall be borne by the Company.

11.4 Relation to employment agreement

No person has a right to participate in this Plan and a participation in this Plan does not give the Beneficiaries a right to future grants of additional Warrants. The grant of Warrants under this Plan does not contain a promise of a continuous employment by the Company or its Subsidiaries.

Notwithstanding any provision of the Plan, the rights and obligations of any individual or entity as determined in the provisions of his/her employment agreement concluded with the Company or a Subsidiary shall not be affected by his/her participation in the Plan or by any right that he/she may have to participate therein.

An individual to whom Warrants are granted in accordance with the Plan shall not be entitled to any damages or compensation as a result of the cessation of his mandate or employment agreement with the Company or a Subsidiary, based on any reason whatsoever (with the exception of abusive or unlawful dismissal in accordance with French case law), to the extent that these rights would arise or might arise based on the cessation of the rights he/she might have or the claims he/she could make concerning the exercise of Warrants pursuant to the Plan because of the cessation of such agreement or by reason of the loss or decrease in value of the rights or benefits.

11.5 Shareholders' Meetings

Warrant Holders have the right to participate in the Shareholders' Meetings of the Company, but without voting right and only with an advisory voice, subject to complying with the formalities set forth in the convocation for the Shareholders' Meeting.

11.6 Communication with Warrant Holders

By accepting Warrants, the Warrant Holder agrees that documentation can be validly communicated by the Company by e-mail, including convocations for Shareholders' Meetings and documentation pertaining to the exercise of Warrants.

11.8 Language

In case of discrepancies between the French, Dutch and English versions of the present Warrant Plan, the French language version of the Plan shall prevail.
