**Report of the Board of Directors in accordance with
Articles 7:180, 7:191 and 7:193 of the Belgian Companies and Associations Code**

**Cancellation of the preferential subscription rights of the existing shareholders in favor of
Gilead Therapeutics A1 Unlimited Company in the framework of the proposed issuance of
the 'Subsequent Gilead Warrant B'**

1 Introduction

On 14 July 2019, the Company announced that it entered into a 10-year global research and development collaboration with Gilead Sciences, Inc. ("**Gilead Sciences**"). Within the framework of this collaboration, Gilead Therapeutics A1 Unlimited Company ("**Gilead Therapeutics**", and together with Gilead Sciences, "**Gilead**"), a subsidiary of Gilead Sciences, entered into a Subscription Agreement (as further defined below) on 14 July 2019 pursuant to which Gilead Therapeutics agreed to invest in the share capital of the Company in consideration of new shares. This investment was effected on 23 August 2019.

The Subscription Agreement also provided, amongst other things, for the issuance to Gilead Therapeutics of the so-called 'Initial Gilead Warrant A' and the 'Initial Gilead Warrant B', which issuance was approved by the extraordinary shareholders' meeting of the Company on 22 October 2019. The Initial Gilead Warrant A was exercised on 6 November 2019. The Initial Gilead Warrant B is still outstanding on the date of this report and will expire on 23 August 2024. The Company also agreed in the Subscription Agreement to issue to Gilead Therapeutics an additional subscription right (in the form of a warrant), the so-called Subsequent Warrant B (as defined below), having terms and conditions that (*mutatis mutandis*) are the same as the terms and conditions of the Initial Gilead Warrant B.

In view hereof, and as the Company's annual shareholders' meeting (the "**AGM**") will be held on 30 April 2024, the proposed issuance of the Subsequent Warrant B to Gilead Therapeutics, together with the related proposal to cancel, in the interest of the Company, the preferential subscription rights of the existing shareholders for the benefit of Gilead Therapeutics, will be submitted to an extraordinary shareholders' meeting to be convened by the Company on 30 April 2024, which is when also the AGM will be held (or on 25 June 2024 should the required quorum for the extraordinary shareholders' meeting not be achieved at the first meeting) (the "**EGM**").

It is noted that the Subsequent Warrant B is merely the continuation of a subscription right (in the form of a warrant) that was already approved, issued and granted in the past (namely, the aforementioned 'Initial Gilead Warrant B'), and which is to expire on 23 August 2024. The potential dilutive effects of the Subsequent Warrant B are therefore similar to those related to the Initial Gilead Warrant B. It should further be noted that the Company has a contractual obligation to endeavor to bring about the continuation of such a subscription right.

This report has been established on 28 March 2024 by the Board of Directors of the Company pursuant to articles 7:180, 7:191 and 7:193 of the Belgian Companies and Associations Code of 23 March 2019, as amended from time to time (the "**Belgian Companies and Associations Code**") and has been drawn

up in connection with the proposed issuance of the Subsequent Warrant B for the benefit of Gilead Therapeutics. It provides an explanation and justification for the proposed issuance of the Subsequent Warrant B and the cancellation of the preferential subscription rights of the existing shareholders for the benefit of Gilead Therapeutics (with notably a justification of the proposed exercise price of the Subsequent Warrant B and a description of the consequences for the financial and shareholder rights of the shareholders of the Company and specifically taking into account the financial situation of the Company, the identity of Gilead Therapeutics, and the nature and importance of the contribution of Gilead Therapeutics). It must be read together with the report prepared by the statutory auditor of the Company in accordance with articles 7:180, 7:191 and 7:193 of the Belgian Companies and Associations Code, which will also be submitted to the EGM.

2 Summary of the Agreements with Gilead of 14 July 2019 (as amended)

2.1 Option, License and Collaboration Agreement with Gilead Sciences

On 14 July 2019, the Company and Gilead Sciences entered into a 10-year global research and development collaboration agreement (the "**Option, License and Collaboration Agreement**"). Under such agreement, (i) the Company received a USD 3.95 billion upfront payment from Gilead Sciences, and (ii) Gilead Sciences gained exclusive access and certain rights to the Company's innovative portfolio of compounds, including clinical and preclinical programs and a proven drug discovery platform, as well as certain exclusive product license and option rights.

Under the Option, License and Collaboration Agreement, the Company funds and leads all discovery and development autonomously until the end of the relevant Phase 2 clinical study. After the completion of the Phase 2 clinical study (or, in certain circumstances, the first Phase 3 study), Gilead Sciences has the option to acquire an exclusive commercial license to that program in all countries outside of Europe. If the option is exercised, the Company and Gilead Sciences will co-develop the compound and share costs equally.

Gilead Sciences maintains option rights to the Company's programs through the 10-year term of the collaboration. This term can be extended for up to an additional three years thereafter for those programs, if any, that have entered clinical development prior to the end of the collaboration term of the Option, License and Collaboration Agreement.

The Option, License and Collaboration Agreement also provided that if GLPG1690 would be approved in the United States, Gilead Sciences would pay the Company an additional USD 325 million milestone fee. However, in February 2021, the development of GLPG1690 was discontinued.

For GLPG1972, Gilead Sciences received the option to in-license the compound in the United States after the completion of the ongoing Phase 2b study in osteoarthritis; the exercise of this option would trigger the payment by Gilead Sciences to the Company of a license fee of USD 250 million. However, in November 2020, Gilead Sciences declined to exercise its option for GLPG1972.

For all other programs resulting from the collaboration, Gilead Sciences will make a USD 150 million opt-in payment per program if it exercises its option, and will owe no subsequent milestones.

The Company will receive tiered royalties ranging from 20% to 24% on net sales of all of the Company's products licensed by Gilead Sciences in all countries outside Europe as part of the Option, License and Collaboration Agreement.

The Option, License and Collaboration Agreement received clearance from the U.S. Federal Trade Commission under the Hart-Scott-Rodino Antitrust Improvements Acts of 1976 and merger control approval from the Austrian Federal Competition Authority, and the transaction was subsequently closed on 23 August 2019.

2.2 Subscription Agreement with Gilead Therapeutics

On 14 July 2019, the Company and Gilead Therapeutics also entered into a subscription agreement (the "**Subscription Agreement**") pursuant to which:

- (a) the Company agreed to proceed with a capital increase within the framework of the authorized capital, with the cancellation of the preferential subscription rights of the Company's existing shareholders for the benefit of Gilead Therapeutics;
- (b) the Company agreed to seek shareholder approval to issue a number of subscription rights (namely, the 'Initial Gilead Warrant A', the 'Initial Gilead Warrant B', and the Subsequent Warrant B), allowing Gilead Therapeutics to further increase its ownership in the Company. Subject to certain limitations, the Company also agreed that Gilead Therapeutics may acquire additional shares via open market purchases;
- (c) Gilead Therapeutics committed to a standstill and lock-up in relation to (the shares of) the Company;
- (d) Gilead Therapeutics is entitled to nominate two directors of the Company;
- (e) the Company agreed to seek shareholder approval to renew the authorization of the Board of Directors to increase the share capital of the Company with an amount up to 20% of the share capital at the time of the convening of the relevant extraordinary shareholders' meeting.

The capital increase referred to in paragraph (a) above was effected on 23 August 2019 by the Board of Directors of the Company within the framework of the authorized capital, through the issuance of 6,828,985 new shares to Gilead Therapeutics. The new shares were admitted to trading on the regulated markets of Euronext Brussels and Amsterdam on 27 August 2019. For further information on this transaction, reference is made to section 3 of the special report of the Board of Directors dated 23 August 2019 in accordance with (then applicable) article 596 and 598 of the Belgian Companies Code of 7 May 1999, available on the Company's website (<https://www.glpq.com/special-reports>).

The issuance of the 'Initial Gilead Warrant A' and the 'Initial Gilead Warrant B' referred to in paragraph (b) above, the proposed election of directors referred to in paragraph (d) above, and the proposed renewal of the authorized capital referred to in paragraph (e) above, were submitted to, and approved by, an extraordinary shareholders' meeting on 22 October 2019. The Initial Gilead Warrant A conferred the right to subscribe for a number of new shares sufficient to bring the number of shares owned by Gilead and its affiliates to 25.1% of the issued and outstanding shares of the Company. The Initial Gilead Warrant A was exercised on 6 November 2019 into 2,617,791 shares at EUR 140.59 per share for a total of EUR 368,035,236.69. The Initial Gilead Warrant B confers the right to subscribe for a number of new shares sufficient to bring the number of shares owned by Gilead and its affiliates to 29.9% of the issued and outstanding shares of the Company. The Initial Gilead Warrant B is still outstanding on the date of this report. For further information on the issuance of the 'Initial Gilead Warrant A' and the 'Initial Gilead Warrant B', reference is made to the report of the Board of Directors dated 19 September 2019 prepared in accordance with articles 583, 596 and 598 of the Belgian Companies Code of 7 May 1999, available on the Company's website ([Shareholder Information - Galapagos \(glpq.com\)](#)).

As the Initial Gilead Warrant B will expire on 23 August 2024, and as the Company initially agreed to provide Gilead a right to subscribe for shares for a term of 10 years, the Subscription Agreement provided that between the 57 month and 59 month anniversary of the capital increase referred to in paragraph (a) above (i.e., between 23 May 2024 and 23 July 2024), the Board of Directors agreed to convene an extraordinary general meeting of the shareholders of the Company at which the shareholders of the Company will be asked to approve:

- (a) the issuance to Gilead Therapeutics of an additional new subscription right (in the form of a warrant), the so-called 'Subsequent Gilead Warrant B', having terms and conditions that (*mutatis mutandis*) are the same as the terms and conditions of the Initial Gilead Warrant B, including

notably as to the Exercise Price (on a per share basis) and the maximum number of shares issuable (the "**Subsequent Warrant B**");

- (b) the authorization to the Board of Directors, valid for a period of five (5) years from the date of publication of the authorization in the Annexes to the Belgian Official Gazette, to increase the share capital of the Company in one or several times with an amount up to 20% of the share capital at the time of the convening of the relevant extraordinary general meeting, which capital increases may be achieved by the issuance of shares, convertible bonds and/or subscription rights (warrants) exercisable by contributions in cash or in kind, with or without issuance premium, and which authorization will explicitly authorize the Board of Directors to restrict or cancel the shareholders' preferential subscription rights, even if such restriction or cancellation is made for the benefit of one or more specific persons other than the employees of the Company or its subsidiaries (including Gilead and its affiliates). For further information on the proposed renewal of the authorized capital, reference is made to the report of the Board of Directors prepared in accordance with article 7:199 of the Belgian Companies and Associations Code (which will also be submitted to the EGM).

As the Company's AGM will be held on 30 April 2024, the Company will submit the aforementioned proposals to the EGM on 30 April 2024, which is when also the AGM will be held.

The Company and Gilead agreed that the issuance of certain subscription rights (including the Subsequent Warrant B) to the benefit of Gilead Therapeutics was an essential part of the consideration offered to Gilead for entering into the aforementioned agreements. The terms of the contractual arrangements between the Company and Gilead (of which the issuance of certain subscription rights (including the Subsequent Warrant B) formed an integral part) had been determined during at arm's length negotiations between the Company and Gilead at the time.

For the sake of completeness, the Board of Directors notes that in April 2021, the Company and Gilead Therapeutics agreed to amend the Subscription Agreement to extend the lock-up in relation to Gilead's equity securities in the Company until 22 August 2024.

In 2022, the Company and Gilead Therapeutics also agreed to amend the Subscription Agreement for conformity with the change from a two-tier to a one-tier governance system by Galapagos.

3 Proposed issuance of the Subsequent Warrant B

In accordance with what was agreed in the Subscription Agreement, the Board of Directors of the Company proposes to the EGM to issue the Subsequent Warrant B, being one subscription right (in the form of a warrant) named the 'Subsequent Gilead Warrant B', with cancellation of the preferential subscription rights of the existing shareholders for the benefit of Gilead Therapeutics.

3.1 Terms and Conditions of the Subsequent Warrant B

The proposed terms and conditions (the "**Conditions**") of the Subsequent Warrant B are set out in Annex 1 to this report. The main Conditions can, for information purposes, be summarized as follows and are, *mutatis mutandis*, equivalent to the previously approved terms and conditions of the 'Initial Gilead Warrant B':

- (a) Issuer: The Company (Galapagos NV).
- (b) Number of subscription rights issued: One (1) subscription right of the Company (in the form of one (1) warrant).
- (c) Term: The Subsequent Warrant B will have a term starting as of the Issue Date (as defined in the Conditions, which is the date of the EGM approving the issuance of the Subsequent Warrant B) and ending on 11:59 p.m. on the calendar day before the fifth anniversary of the Issue Date. The Subsequent Warrant B can be exercised at one or several occasions as from 23 August 2024

(on 11:59 p.m.) during the entire term of the Subsequent Warrant B, but not more than once per period of three (3) months. As set out in the Conditions, this limitation does not apply in case of material development regarding the Company or the trading of the Company's shares, or in case of certain (requests for) convocations of shareholders' meetings of the Company.

- (d) Number of shares issuable upon exercise: Subject to the Conditions, the Subsequent Warrant B entitles the holder thereof to subscribe, during the entire term of the Subsequent Warrant B, upon each exercise of the Subsequent Warrant B, for a maximum number of shares that is sufficient to bring the number of shares owned by Gilead Therapeutics, Gilead Sciences and any of their affiliates and any other party Acting in Concert (as defined in the Conditions) with Gilead Therapeutics, Gilead Sciences or any of their affiliates to 29.9% of the actually issued and outstanding shares immediately after the issue of the shares that are to be issued upon the relevant exercise of the Subsequent Warrant B (rounded down to the nearest whole share) (the "**Warrant Limit**"). The Subsequent Warrant B remains outstanding for the remaining duration of its term even if exercised for a number of shares that is equal to the then applicable Warrant Limit.
- (e) Exercise Price: The Exercise Price (as defined in the Conditions) of the Subsequent Warrant B shall, per share that shall be subscribed for upon an exercise of the Subsequent Warrant B in relation to such shares, be equal to the greater of (i) 120% multiplied by the arithmetic mean of the daily volume weighted average trading price of the Company's shares as traded on Euronext Brussels and Euronext Amsterdam (or such other regulated markets on which the Company's shares will be trading at that time) on each of the trading days during the period of 30 calendar days ending on the calendar day immediately preceding the date of the Exercise Notice (as defined in the Conditions) with respect to such exercise, and (ii) EUR 140.59 (which is the same as the issue price of the 6,828,985 new shares that were issued to Gilead Therapeutics on 23 August 2019). The Exercise Price is subject to customary adjustments set out in the Conditions.
- (f) Nature of the shares issuable upon exercise: Each new share to be issued by the Company upon each exercise of the Subsequent Warrant B shall have the same rights and benefits as, and rank *pari passu* in all respects including as to entitlement to dividends and other distributions, with the existing and outstanding shares of the Company at the moment of their issue and will be entitled to dividends and other distributions in respect of which the relevant record date or due date falls on or after the date of their issue.
- (g) Capital increase and allocation of the Exercise Price: Upon each exercise of the Subsequent Warrant B and the resulting issue of new shares, the Company's share capital will be increased, as further specified in the Conditions. Each time upon an exercise of the Subsequent Warrant B and the issue of new shares pursuant to the Conditions, the applicable aggregate Exercise Price shall be allocated to the share capital of the Company. If the applicable Exercise Price per share issued is greater than the fractional value of the existing shares immediately prior to the capital increase, then the applicable aggregate Exercise Price shall be allocated in such a manner that per share issued (i) a part of the applicable aggregate Exercise Price equal to the fractional value of the existing shares immediately prior to the capital increase shall be booked as share capital, and (ii) the balance of the applicable aggregate Exercise Price shall be booked as issue premium. Such issue premium shall be accounted for on the liabilities side of the Company's balance sheet as net equity. The account on which the issue premium shall be booked shall, like the share capital, serve as the guarantee for third parties and, save for the possibility of a capitalization of those reserves, can only be reduced on the basis of a valid resolution of the general shareholders' meeting passed in the manner required for an amendment to the Company's articles of association.
- (h) Listing of the underlying shares: If the admission of the shares that are to be issued upon an exercise of the Subsequent Warrant B to trading on the regulated markets of Euronext Brussels

and Euronext Amsterdam (and such other regulated markets on which the Company's shares will be trading at that time) legally requires a listing prospectus, the Company shall use reasonable efforts to obtain such admission within ninety (90) days following the issue of such shares. In such event, the effective admission to listing will be subject to regulatory approval of the listing prospectus. If the admission of the shares that are to be issued upon an exercise of the Subsequent Warrant B to trading on the regulated markets of Euronext Brussels and Euronext Amsterdam (and such other regulated markets on which the Company's shares will be trading at that time) does not legally require a listing prospectus, the Company shall cause such admission as soon as practicable after the issue of such shares, and in any event no later than five (5) Business Days (as defined in the Conditions) after the issue of such shares.

- (i) Nature of the Subsequent Warrant B: The Subsequent Warrant B will confer the right (but not the obligation) to subscribe, upon any exercise of the Subsequent Warrant B, for a number of new shares to be issued by the Company, as aforementioned. Except as otherwise provided for under Belgian law, the holder of the Subsequent Warrant B will be no shareholder of the Company solely by virtue of holding the Subsequent Warrant B, and therefore does not have the rights of a shareholder in relation to the shares to be issued or delivered to the holder of the Subsequent Warrant B upon an exercise of the Subsequent Warrant B until the exercise of the Subsequent Warrant B and the issue or delivery of the relevant shares.
- (j) Form of the Subsequent Warrant B: The Subsequent Warrant B will be in registered form. The Subsequent Warrant B cannot be converted into a bearer instrument or in dematerialized form.
- (k) No listing of the Subsequent Warrant B: The Subsequent Warrant B shall not be listed at any time on a securities exchange, regulated market or similar securities market.
- (l) Issue Price of the Subsequent Warrant B: The Subsequent Warrant B will be issued, without any additional consideration being due by Gilead Therapeutics or any of its affiliates.

3.2 Exercise Price of the proposed Subsequent Warrant B

In the Subscription Agreement, the Exercise Price of the proposed Subsequent Warrant B has been determined at the greater of (i) 120% multiplied by the arithmetic mean of the daily volume weighted average trading price of the Company's shares as traded on Euronext Brussels and Euronext Amsterdam (or such other regulated markets on which the Company's shares will be trading at that time) on each of the trading days during the period of 30 calendar days ending on the calendar day immediately preceding the date of the Exercise Notice (as defined in the Conditions) with respect to such exercise, and (ii) EUR 140.59, (on a per share basis) (see section 3.1(e) above) (which represents a 20% premium as compared to the average of the volume weighted average prices of the Company's shares on the regulated market of Euronext (Brussels and Amsterdam) during the thirty calendar days preceding the date of signing the Subscription Agreement).

4 Reasons for the proposed issuance of the Subsequent Warrant B with cancellation of the preferential subscription rights for the benefit of Gilead Therapeutics

The issuance of subscription rights to Gilead (including the proposed issuance of the Subsequent Warrant B) was one of the elements that has been agreed to by the Company with Gilead within the framework of the aforementioned transaction that was announced on 14 July 2019.

The Board of Directors is of the opinion that the strategic collaboration with Gilead, of which the issuance of the subscription rights (including the proposed issuance of the Subsequent Warrant B) form an integral part, has benefited, and is still benefiting, the Company as it, among other things, allowed the Company to obtain additional significant cash resources and to significantly strengthen its net equity position through a USD 3.95 billion upfront payment and an aggregate EUR 1.33 billion equity contribution by Gilead, and allows access to Gilead's chemistry and development expertise, its commercial infrastructure and operations, and its speed to the relevant markets.

Furthermore, while it cannot be guaranteed that the Subsequent Warrant B will ultimately be exercised (in particular as the minimum Exercise Price of the Subsequent Warrant B is substantially higher than the trading price of the Company's shares on the regulated market of Euronext Brussels and Euronext Amsterdam on the date of this report), the exercise of the proposed Subsequent Warrant B by Gilead Therapeutics, and the payment of the relevant exercise price of the Subsequent Warrant B by Gilead Therapeutics, if any, will enable the Company to obtain additional cash resources and to strengthen its net equity position.

Finally, the Subsequent Warrant B is merely the continuation of a subscription right (in the form of a warrant) that has already been approved by the extraordinary shareholders' meeting of the Company on 22 October 2019. Pursuant to Belgian company law, the 'Initial Gilead Warrant B' could not be issued for a term of 10 years. In line with what was agreed in the Subscription Agreement, the 'Initial Gilead Warrant B' will need to be renewed.

For the sake of completeness, it should be noted that the Subscription Agreement provides for a number of consequences if the EGM were not to approve the proposed issuance of the Subsequent Warrant B. Notably, in such situation:

- (a) the Company and Gilead Therapeutics shall collaborate to structure and organize the right to subscribe for shares as reflected by the Subsequent Warrant B via a contractual subscription or option agreement or otherwise, allowing, to the greatest extent legally possible, Gilead Therapeutics to subscribe for or acquire the number of shares of the Company it would otherwise be able to subscribe for or acquire upon exercise of the Subsequent Warrant B, whether through the Company's authorized capital or otherwise;
- (b) as long as the Board of Directors shall have the power to issue shares within the framework of the authorized capital, the authorized capital shall to the greatest extent legally possible be used with priority for the purpose of the issuance of shares to Gilead Therapeutics, without prejudice to the right of the Company to use the authorized capital for equity-based incentives or compensation for current or future employees, consultants, directors and/or officers of the Company or its affiliates; and
- (c) the Company will submit the proposed issuance of the Subsequent Warrant B as soon as possible to a subsequent general shareholders' meeting of the Company and, if such subsequent meeting were not to approve the proposed issuance of the Subsequent Warrant B, the Company will be obliged to re-submit the proposed issuance of the Subsequent Warrant B to another extraordinary general shareholders' meeting at the occasion of the annual general shareholders' meeting of the Company (and this until the Subsequent Warrant B has been issued).

For all of the abovementioned reasons, the Board of Directors recommends that the EGM approves the proposed issuance of the Subsequent Warrant B with cancellation of the preferential subscription rights for the benefit of Gilead Therapeutics.

5 Consequences for the Company's existing shareholders

The dilution and effect on the equity value of the Company that will result from the issuance and exercise of the proposed Subsequent Warrant B is indicatively set out in the tables below.

Ultimately, whether or not a Subsequent Warrant B will be exercised depends on the (sole) decision of Gilead Therapeutics. Such decision may depend in part on the price of the share of the Company at the moment of exercise as compared with the relevant Exercise Price. As mentioned in section 7 below, the current trading price of the Company's shares on Euronext Brussels and Euronext Amsterdam is currently substantially lower than the minimum Exercise Price of the Subsequent Warrant B.

The Board of Directors also notes that the Subsequent Warrant B is merely the continuation of the Initial Gilead Warrant B (which is to expire on 23 August 2024).

5.1 Introductory comments and assumptions

Certain key parameters of the exercise of the proposed Subsequent Warrant B (such as the applicable Exercise Price⁽¹⁾ or the maximum number of new shares to be issued in connection with the proposed Subsequent Warrant B⁽²⁾), are unknown on the date of this report. Hence, the actual effects of the exercise of the proposed Subsequent Warrant B can only be illustrated, and cannot yet be determined with certainty.

Accordingly, the discussion herein of the financial consequences of the exercise of the proposed Subsequent Warrant B is purely illustrative, and based on purely hypothetical financial parameters. The actual Exercise Price of the Subsequent Warrant B and the number of new shares to be issued in connection with the proposed Subsequent Warrant B may vary significantly from the hypothetical values used in this report. The hypothetical financial parameters used in the simulations below by no means anticipate the final financial parameters that will be used for an actual exercise of the Subsequent Warrant B.

Subject to the foregoing reservations, for the purposes of the illustration of some of the financial consequences of an exercise in full of the proposed Subsequent Warrant B and notably the dilution for the shareholders, the following assumptions were used:

- The Company has a registered share capital of EUR 356,444,938.61, represented by 65,897,071 shares, with a fractional value of (rounded up) EUR 5.41 per share.
- On 31 December 2023, there were 11,472,520 subscription rights outstanding under the different share option plans for members of the personnel of the Company and its subsidiaries described in the Company's annual report for financial year 2023 (which is also submitted to the AGM), each giving the right to subscribe for one new share in the Company (subject to certain conditions). In this report, when reference is made to any "outstanding" subscription rights, this refers to subscription rights that have already been granted and accepted, and (depending on the terms and conditions of such subscription rights) have not yet been exercised and have not yet expired. For the purpose of the full-dilution scenario calculations further below, it is assumed that all of the 11,472,520 outstanding subscription rights have vested, are immediately exercisable (regardless of their terms and conditions), and have been fully exercised prior to the completion of the issuance and exercise of the Subsequent Warrant B. The calculations below will not take into account any shares to be issued upon exercise of the Initial Gilead Warrant B (as the Subsequent Warrant B is merely a continuation of such Initial Gilead Warrant B).
- Gilead and affiliates hold 16,707,477 shares of the Company.
- As provided for in section 3.1(d) of this report, the maximum number of shares issuable upon each exercise of the Subsequent Warrant B is equal to the number of shares that is sufficient to bring the number of shares owned by Gilead Therapeutics, Gilead Sciences and any of their affiliates and any other party Acting in Concert with Gilead Therapeutics, Gilead Sciences or any of their affiliates to 29.9% of the actually issued and outstanding shares immediately after the issue of the shares that are to be issued upon the relevant exercise of the Subsequent Warrant B (rounded down to the nearest whole share). Hence, for the purposes of the illustrations below, the maximum number of shares to be issued to Gilead Therapeutics upon an exercise in full of the Subsequent Warrant B at the date of this report is equal to 4,273,533 shares (assuming that the Company does not issue any new shares during the term of the Subsequent Warrant B). Assuming that Gilead and affiliates hold 16,707,477 shares before the exercise of the Subsequent Warrant B, the exercise of the Subsequent Warrant B (and the subsequent issuance of the 4,273,533 shares) would result in an aggregate shareholding of 20,981,010 shares, being 29.9%

² For more information, see section 3.1(i)(d) of this report.

of the 70,170,604 outstanding shares of the Company (after the exercise of the Subsequent Warrant B). It should be noted that the Subsequent Warrant B can be exercised at one or several occasions during its entire term³ and that the actual number of shares issuable upon an exercise of the Subsequent Warrant B could be higher, depending on the number of outstanding shares of the Company at the time of that exercise of the Subsequent Warrant B. In any event, the number of shares issuable cannot be in excess of the then applicable Warrant Limit (as defined in section 3.1(d) of this report).

- As provided for in section 3.1(e) of this report, the Exercise Price of the Subsequent Warrant B, per share that shall be subscribed for upon an exercise of the Subsequent Warrant B in relation to such shares, is equal to the greater of (i) 120% multiplied by the arithmetic mean of the daily volume weighted average trading price of the Company's shares as traded on Euronext Brussels and Euronext Amsterdam (or such other regulated markets on which the Company's shares will be trading at that time) on each of the trading days during the period of 30 calendar days ending on the calendar day immediately preceding the date of the Exercise Notice (as defined in the Conditions) with respect to such exercise, and (ii) EUR 140.59. For the purpose of the illustrations attached to this report in Annex 2, the hypothetical Exercise Price for the Subsequent Warrant B that has been used in the simulations has been set at the floor price of EUR 140.59.
- On the basis of the audited consolidated annual financial statements of the Company for the financial year ended on 31 December 2023 (which have been prepared in accordance with the International Financial Reporting Standards, as adopted by the European Union ("IFRS")) and which will be submitted to the AGM.⁴ The consolidated net equity of the Company as at 31 December 2023 amounted to EUR 2,795,566,256.00. This number does not take into account changes in the consolidated net equity since 31 December 2023.
- As referred to above, the Company's consolidated financial statements are prepared in accordance with IFRS. While on the date of this report the accounting treatment of the Subsequent Warrant B is still under review by the Company's management and not yet validated by the Company's auditor, it is currently expected that, within the framework of the Company's consolidated financial statements, the Subsequent Warrant B will be accounted for in accordance with (amongst others) IFRS 9 (*Financial Instruments*). As aforementioned, the actual application of the reporting standard, the initial recognition moment and valuation of the Subsequent Warrant B is still being determined and assessed.

For further information regarding the Company's consolidated net equity position on 31 December 2023, reference is made to the consolidated financial statements of the Company, which are available on the Company's website and which will be submitted to the AGM.

5.2 Dilution resulting from the issuance and exercise of the Subsequent Warrant B

Each share in the Company currently represents an equal part of the share capital of the Company and carries the right to one vote. The issuance of the Subsequent Warrant B to Gilead Therapeutics will, upon exercise of the relevant Subsequent Warrant B, lead to a dilution of the existing shareholders of the Company and of the relative voting power of each share in the Company.

The dilution relating to the voting right also applies, *mutatis mutandis*, to the participation of each share in the profit and liquidation proceeds and other rights attached to the shares of the Company, such as the statutory preferential subscription right in the case of a capital increase in cash through the issuance of shares.

³ The Subsequent Warrant B shall remain outstanding for the remaining duration of its term even if exercised for a number of shares that is equal to the then applicable Warrant Limit (as defined in section 3.1(i)(d) of this report).

⁴ For further information regarding the Company's net equity position on the aforementioned date, reference is made to the financial statements of the Company, which are available on the Company's website and which will be submitted to the AGM.

Specifically, prior to the exercise of the Subsequent Warrant B, each share participates equally in the profit and liquidation proceeds of the Company and each shareholder has a statutory preferential subscription right in the case of a capital increase in cash. Each new share to be issued by the Company upon exercise of the relevant Subsequent Warrant B shall have the same rights and benefits as, and rank *pari passu* in all respects including as to entitlement to dividends and other distributions, with the existing and outstanding shares at the moment of their issue and will be entitled to dividends and other distributions in respect of which the relevant record date or due date falls on or after the date of their issue. As a result (and to the extent the Subsequent Warrant B will be issued and exercised), the participation by the existing shares in the profit and liquidation proceeds of the Company and their holder's statutory preferential subscription right in the case of a capital increase in cash, shall be diluted accordingly.

Based on the methodology and assumptions referred to in section 5.1 above, the tables below show the dilution of voting power and liquidation and dividend rights that would result from the issuance and exercise of the Subsequent Warrant B in a scenario in which none of the outstanding subscription rights are exercised (see section 5.2.1) and in a scenario in which all of the outstanding subscription rights are exercised in full (see section 5.2.2).

5.2.1 Non-diluted basis

(A) Number of currently existing and outstanding shares on a non-diluted basis	65,897,071
(B) Number of shares to be issued as a result of the issuance and full exercise of the Subsequent Warrant B (on a non-diluted basis) ⁽⁵⁾	4,273,533
(C) Number of shares after the issuance and full exercise of the Subsequent Warrant B on a non-diluted basis	70,170,604
(D) Dilution of existing shareholders on the basis of the number of currently existing and outstanding shares on a non-diluted basis	6.09%

The table above demonstrates that, assuming that the Subsequent Warrant B is issued and fully exercised on the basis of the methodology and assumptions set out in section 5.1 of this report, the currently existing and outstanding shares would no longer represent 1/65,897,071 of the share capital, but 1/70,170,604 of the resulting share capital, which represents a dilution of the participation in the share capital and the results of the Company of 6.09%.

5.2.2 Fully diluted basis⁽⁶⁾

(A) Number of currently existing and outstanding shares on a fully diluted basis	77,369,591
(B) Number of shares to be issued as a result of the issuance and full exercise of the Subsequent Warrant B (on a fully diluted basis) ⁽⁵⁾	9,166,948
(C) Number of shares after the issuance and full exercise of the Subsequent Warrant B on a fully diluted basis	86,536,539
(D) Dilution of existing shareholders on the basis of the number of currently existing and outstanding shares on a fully diluted basis	10.59%

⁵ For further information on the number of shares to be issued as a result of the issuance and exercise of the Subsequent Warrant B, reference is made to section 5.1 of this report.

⁶ Assuming that all 11,472,520 outstanding subscription rights are exercised, resulting in the issuance of 11,472,520 new shares, as a result of which the Company's share capital would be represented by 77,369,591 shares.

The table above demonstrates that, assuming that the Subsequent Warrant B is issued and fully exercised on the basis of the methodology and assumptions set out in section 5.1 of this report and assuming that all outstanding subscription rights are exercised and new shares would be issued as a result thereof, the previously existing shares, would no longer represent 1/77,369,591 of the share capital, but 1/86,536,539 of the resulting share capital, which represents a dilution of the participation in the share capital and the results of the Company of 10.59%.

5.3 Effect of the issuance and exercise of the Subsequent Warrant B on the equity of the Company

On the basis of the methodology and assumptions set out in section 5.1 of this report, a number of simulations have been prepared. These simulations are attached to this report as [Annex 2](#) and reflect the impact of the exercise of the proposed Subsequent Warrant B on the Company's equity.

In the event that the proposed Subsequent Warrant B would be exercised in full on the basis of the methodology and assumptions set out in section 5.1 of this report, there would be an increase of the equity of the Company for an amount equal to the product of the number of shares issuable upon exercise of the Subsequent Warrant B and the relevant Exercise Price (on a per share basis). If the relevant Exercise Price is higher than the equity value per share and the relevant Subsequent Warrant B is *de facto* exercised, there would be a positive effect on the equity value per share for the existing shareholders.

In any event, it should be noted that the accounting treatment of the Subsequent Warrant B is still under review, as indicated in section 5.1 of this report.

5.4 Effect of the issuance and exercise of the Subsequent Warrant B on the shareholding of Gilead Therapeutics

Following the issuance and exercise of the Subsequent Warrant B, on the basis of the methodology and assumptions set out in section 5.1 of this report, Gilead Therapeutics would hold 20,981,010 shares in the Company, which is equal to an ownership percentage of 29.90% on a non-diluted basis.⁽⁷⁾

As mentioned in section 5.1 of this report, it should be noted that the Subsequent Warrant B can be exercised at one or several occasions during their entire term⁸ and that the actual number of shares issuable upon an exercise of the respective Subsequent Warrant B could be higher, depending on the number of outstanding shares of the Company at the time of that exercise of the Subsequent Warrant B. In any event, the number of shares issuable cannot be in excess of the then applicable Warrant Limit.

6 Individuals, other than employees, for whose benefit the preferential subscription rights are cancelled

Within the framework of the proposed issuance of the Subsequent Warrant B (as agreed in the Subscription Agreement), the Board of Directors proposes, in accordance with Article 7:191 and 7:193 of the Belgian Companies and Associations Code, to cancel the preferential subscription rights of the existing shareholders for the benefit of Gilead Therapeutics A1 Unlimited Company, an unlimited liability company incorporated and validly existing under Irish law, with registered seat at 70 Sir John Rogerson's Quay, Dublin 2 (Ireland) and registered with Ireland's Companies Registration Office under number 615395.

7 Justification of the Exercise Price of the Subsequent Warrant B

The terms of the Conditions (including the mechanisms pursuant to which the Exercise Price of the Subsequent Warrant B has been determined) are the result of arm's length negotiations that occurred

⁷ This number 20,981,010 is equal to the assumed shareholding of Gilead Therapeutics on the date of this report and the 4,273,533 shares assumed to be issued to Gilead Therapeutics upon exercise of the Subsequent Warrant B on the basis of the methodology and assumptions as set out in section 5.1 of this report.

⁸ The Subsequent Warrant B shall remain outstanding for the remaining duration of their term even if exercised for a number of shares that is equal to the then applicable Warrant Limit (as defined in section 3.1(i)(d) of this report).

between the Company and Gilead at that time (by taking into account the trading price of the Company's shares on Euronext Brussels and Euronext Amsterdam at that time).

The Exercise Price of the Subsequent Warrant B is subject to customary adjustments set out in the Conditions.

The Board of Directors notes that the minimum Exercise Price of the Subsequent Warrant B is approx. 4.5x higher than the trading price of the Company's shares on the regulated market of Euronext Brussels and Euronext Amsterdam on 22 March 2024. Without exercise, there would also be no dilution for the shareholders.

Hence, in view of all of the foregoing, and the fact that (the Exercise Price of) the Subsequent Warrant B is a continuation of (the same Exercise Price of) the Initial Gilead Warrant B, the Board of Directors believes that the Exercise Price of the Subsequent Warrant B is sufficiently justified.

8 Justification of the cancellation of the preferential subscription rights of the existing shareholders for the benefit of Gilead Therapeutics

The cancellation of the preferential subscription rights of the existing shareholders for the benefit of Gilead Therapeutics is required in order to allow the Company to issue the Subsequent Warrant B to Gilead Therapeutics. This issuance is an integral part of aforementioned transaction that was announced on 14 July 2019 and allowed the Company to secure a strong and strategic collaboration with Gilead, which was, and still is, in the Company's interest. Accordingly, the Board of Directors recommends that the EGM approves the proposed issuance of the Subsequent Warrant B.

9 Statutory Auditor's report

The statutory auditor of the Company has been requested to issue a report in accordance with Articles 7:180, 7:191 and 7:193 of the Belgian Companies and Associations Code.

10 Conclusion

Taking into account the abovementioned considerations, the Board of Directors is of the opinion that the proposed issuance of the Subsequent Warrant B with cancellation of the preferential subscription rights of the existing shareholders for the benefit of Gilead Therapeutics is in the Company's interest.

The issuance of the Subsequent Warrant B is subject to the approval by the EGM to be held on or around 30 April 2024 (or on 25 June 2024 should the required quorum not be achieved at the first meeting).

Done on 28 March 2024.

SUBSEQUENT GILEAD WARRANT B

RECITALS

On 14 July 2019, Galapagos NV (hereafter further referred to as the "**Company**"), entered into a Subscription Agreement (as defined below) with Gilead Therapeutics AI Unlimited Company (hereafter further referred to as the "**Investor**"), which in the meantime has been amended at several occasions. The Investor is an indirect wholly-owned subsidiary of Gilead Sciences, Inc. (hereafter further referred to as the "**Parent Investor**"), a U.S. corporation listed on the NASDAQ Stock Market and a research-based biopharmaceutical company focused on developing innovative medicines for life-threatening diseases. Simultaneously with the execution of the Subscription Agreement, the Company and the Parent Investor also entered into an Option, License and Collaboration Agreement (as defined below). Pursuant to the Option, License and Collaboration Agreement, the Company agreed to discover, research, and develop molecules and products, and Parent Investor agreed to have an option to participate in the development and commercialisation of molecules and products, in each case, on the terms and conditions set forth in such agreement. Pursuant to the Subscription Agreement, the Investor agreed to make an investment into the share capital of the Company. The investment was effected on 23 August 2019. As part of the overall agreement between the Company, the Investor and the Parent Investor, the Subscription Agreement also provided for the issuance to the Investor of a number of warrants (namely, the Initial Gilead Warrants (as defined below) and the Subsequent Gilead Warrant B (as defined below)). On 22 October 2019, the extraordinary general shareholders' meeting of the Company decided to approve to the issuance of the Initial Gilead Warrants, as contemplated by the Subscription Agreement. The present terms and conditions (hereinafter referred to as the "**Conditions**") contain the issue and exercise conditions of the Subsequent Gilead Warrant B issued by the Company, as contemplated by the Subscription Agreement. The issue of the Warrant is exclusively reserved to the Investor, in consideration of the subscription for shares and entry into the collaboration contemplated by the agreements referred to above.

1.3. Meaning of references

Unless the context does not so permit, or save where specifically indicated otherwise:

- (a) references to Articles are to Articles in these Conditions, and references to sub-Articles or paragraphs are to sub-Articles or paragraphs of the Article in which such references appear;
- (b) the words "herein", "hereof", "hereunder", "hereby", "hereto", "herewith" and words of similar import shall refer to these Conditions as a whole and not to any particular Article, paragraph or other subdivision;
- (c) references to the word "include" or "including" (or any similar term) are not to be construed as implying any limitation, and general words introduced by the word "other" (or any similar term) shall not be given a restrictive meaning by reason of the fact that they are preceded by words indicating a particular class of acts, matters or things;

- (e) references to any statute, regulation or statutory provision shall be deemed to include reference to any statute, regulation or statutory instrument which amends, extends, consolidates or replaces the same (or shall have done so) and to any other regulation, statutory instrument or other subordinate legislation made thereunder or pursuant thereto, provided that no such reference shall include any amendment, extension or replacement of the same with retrospective effect;

Notwithstanding the foregoing, Belgian legal concepts which are expressed in English language terms, are to be interpreted in accordance with the Belgian legal terms to which they refer, and the use herein of Dutch and/or French words in these Conditions as translation for certain words

2. ISSUANCE, NATURE AND FORM OF THE WARRANT

2.1. Issuance and nature

- (a) The Warrant has been issued, without any additional consideration being due by the Investor or any of its Affiliates, pursuant to a resolution of the extraordinary general shareholders' meeting of the Company held on the Issue Date, with dis-application of the statutory preferential subscription rights of the shareholders of the Company for the benefit of the Investor.
- (b) Subject to, and in accordance with, the terms and conditions set forth in these Conditions, the Warrant confers the right (but not the obligation) on the holder thereof to subscribe, upon any exercise of the Warrant, for a number of new Shares to be issued by the Company.
- (c) Except as otherwise provided under Belgian law, the holder of the Warrant is no shareholder of the Company solely by virtue of holding the Warrant, and therefore does not have the rights of a shareholder in relation to the Shares to be issued or delivered to the holder of the Warrant upon an exercise of the Warrant until the exercise of the Warrant and the issue or delivery of the relevant Shares.

2.2. Registered form

The Warrant is in registered form. In accordance with applicable law, the Warrant is recorded in a warrant register book, which is kept at the registered office of the Company. The Warrant cannot be converted into a bearer instrument or in dematerialized form.

2.3. Transferability of the Warrant

The Warrant shall be transferrable in the same manner and in accordance with the same rules as those that apply (*mutatis mutandis*) to the Subscription Shares pursuant to the Subscription Agreement. Transfers of the Warrant that do not comply with this Article 2.3 are not enforceable vis-à-vis the Company.

2.4. No listing of the Warrant

The Warrant shall not be listed at any time on a securities exchange, regulated market or similar securities market.

3. TERM OF THE WARRANT

- (a) The Warrant has a term (the "**Term**") starting as of the Issue Date and ending on 11:59 p.m. on the calendar day before the fifth anniversary of the Issue Date (the "**Expiry Date**").
- (b) The Warrant automatically lapses and becomes invalid (*vervallen*) by operation of law on 11:59 p.m. of the Expiry Date.
- (c) Subject to and in accordance with the terms and conditions set forth in these Conditions, the Warrant can be exercised at one or several occasions at any time as from 23 August 2024 (on 11:59 p.m.) during the Term.

4. SHARES

4.1. Number of Shares issuable upon an exercise of the Warrant

- (a) Subject to the terms and conditions set forth in these Conditions, the Warrant entitles the holder thereof to subscribe, during the entire Term of the Warrant, upon each exercise of the Warrant, for a maximum number of Shares (the "**Warrant Limit**") that is, in the aggregate with respect to each exercise of the Warrant, sufficient to bring the number of Shares owned by the Investor, the Parent Investor and any of their Affiliates and any other party Acting in Concert with the Investor, the Parent Investor or any of their Affiliates to 29.9% of the actually issued and outstanding Shares immediately after the issue of the Shares that are to be issued upon the relevant exercise of the Warrant (rounded down to the nearest whole Share).
- (b) Notwithstanding the provisions of paragraph (a), if and as long as the person or entity exercising the Warrant is not the Investor, the Parent Investor or an Affiliate of the Investor or Parent Investor, the Warrant Limit shall be equal to one (1) Share. The provisions of paragraph (a) of this Article 4.1 will again apply when the person or entity exercising the Warrant is the Investor, the Parent Investor or any Affiliate of the Investor and the Parent Investor.
- (c) The Warrant can be exercised at one or several occasions during the entire Term, but not more than once per period of three (3) months; provided that such limitation on the frequency of exercising the Warrant shall not apply within a given three (3) month period in which there has been already an exercise of the Warrant to the extent that within such three (3) month period there has been a material development regarding the Company or the trading of Shares or if the Company or any other person or entity (other than the Investor, the Parent Investor, any of the Affiliates of the Investor or Parent Investor, or any party Acting in Concert with the Investor, the Parent Investor or any Affiliate of the Investor or the Parent Investor) provides notice that it intends to convene, requests to convene, or convenes, a meeting of shareholders. On each occasion the Warrant is exercised, the number of Shares that the holder of the Warrant will be entitled to subscribe for, will, in the aggregate with respect to such exercise of the Warrant, be limited to the then applicable Warrant Limit. The Warrant shall remain outstanding for the remaining duration of the Term even if exercised for a number of Shares that is equal to the then applicable Warrant Limit.
- (d) The Warrant can only be exercised for a whole number of Shares, and not with respect to fractions of Shares.

4.2. Nature and form of the Shares

- (a) Each new Share to be issued by the Company upon each exercise of the Warrant shall have the same rights and benefits as, and rank *pari passu* in all respects including as to entitlement to dividends and other distributions, with the existing and outstanding Shares at the moment of their issue and will be entitled to dividends and other distributions in respect of which the relevant record date or due date falls on or after the date of their issue.
- (b) Notwithstanding any other provision of these Conditions, upon each exercise of the Warrant, the Company shall have the right, to be determined by it in its discretion, to deliver a number of existing Shares in lieu of (all or a portion of) the new Shares that would otherwise need to be issued upon such exercise of the Warrant, provided that (i) such existing Shares confer the rights referred to in paragraph (a) and (ii) the delivery of such number of existing Shares (together with any new Shares issued upon such exercise of the Warrant) results in the Investor, the Parent Investor and any of their

Affiliates and any other party Acting in Concert with the Investor, the Parent Investor or any of their Affiliates owning the same percentage of Shares of the actually issued and outstanding Shares of the Company immediately after the issue of the Shares that had to be issued upon such exercise of the Warrant, rounded down to the nearest whole Share, that they would otherwise own if only new Shares were to have been issued upon such exercise of the Warrant. The holder of the Warrant cannot be obliged to pay a price per Share for the delivery of existing Shares that is higher than the applicable Exercise Price.

- (c) The Shares to be delivered upon each exercise of the Warrant shall be delivered in registered form.

4.3. Listing of the Shares

If the admission of the Shares that are to be issued upon an exercise of the Warrant to trading on the regulated markets of Euronext Brussels and Euronext Amsterdam (and such other regulated markets on which the Company's Shares will be trading at that time) legally requires a listing prospectus, the Company shall use reasonable efforts to obtain such admission within ninety (90) days following the issue of such Shares. In such event, the effective admission to listing will be subject to regulatory approval of the listing prospectus.

If the admission of the Shares that are to be issued upon an exercise of the Warrant to trading on the regulated markets of Euronext Brussels and Euronext Amsterdam (and such other regulated markets on which the Company's Shares will be trading at that time) does not legally require a listing prospectus, the Company shall cause such admission as soon as practicable after the issue of such Shares, and in any event no later than five (5) Business Days after the issue of such Shares.

5. EXERCISE PRICE

The Exercise Price of the Warrant shall, per Share that shall be subscribed for upon an exercise of the Warrant in relation to such Shares, be equal to the Reference Exercise Price.

6. SPECIFIC CONDITIONS

- (a) Upon subscription for the Warrant and when exercising the Warrant, the holder of the Warrant will comply with (i) the Belgian Act of 2 May 2007 regarding the disclosure of important participations in issuers of which shares are admitted to trading on a regulated market and miscellaneous provisions as amended from time to time, and the rules and regulations promulgated thereunder, and (ii) insider trading and/or dealings or transactions in the securities of the Company, including notably Regulation (EU) No 596/2014 of the European Parliament and of the Council of 16 April 2014 on market abuse (market abuse regulation) and repealing Directive 2003/6/EC of the European Parliament and of the Council and Commission Directives 2003/124/EC, 2003/125/EC and 2004/72/EC, and the relevant regulations, directives and other rules promulgated thereunder, as well as similar rules and regulations elsewhere in other jurisdictions.
- (b) During the Term, the Investor shall, upon written request from the Company, provide the Company within five (5) Business Days, the aggregate number of Equity Securities owned by the Investor, the Parent Investor and their Affiliates to the extent calculable (it being understood that the Warrants can be described without calculating a number of shares issuable thereunder). During the Term, the Company shall provide the Investor with notice of any exercise or conversion of any options, warrants, convertible securities or other right to acquire, directly or indirectly, any of the new shares of the

Company by any person or entity (other than the Investor, the Parent Investor and their Affiliates) within five (5) Business Days after such exercise or conversion.

7. EXERCISE OF THE WARRANT

7.1. Exercise Notice

- (a) The Warrant can only be exercised by means of a written notice to the Company (the "**Exercise Notice**"). The Exercise Notice must be served on the Company in accordance with the provisions of Article 10.6.
- (b) The date on which the Exercise Notice with respect to a specific exercise of the Warrant shall have been served (or be deemed served) on the Company pursuant to Article 10.6 shall be the exercise date of the Warrant with respect to that exercise (the "**Exercise Date**").
- (c) The Exercise Notice must state (i) the number of Shares with respect to which the Warrant is exercised at that occasion, and (ii) the applicable aggregate Exercise Price, as determined in accordance with the provisions of these Conditions. The Exercise Date should fall within the Term.
- (d) If the number of Shares with respect to which the Warrant is exercised as indicated in the Exercise Notice exceeds the then applicable Warrant Limit, the Warrant shall be deemed exercised with respect to the number of Shares just below the then applicable Warrant Limit only. The Company shall as soon as practical, and in any event before the expiry of the term within which the relevant Shares are to be issued to the holder of the Warrant pursuant to Article 7.3 of these Conditions, notify the holder of the Warrant thereof in accordance with the provisions of Article 10.6, which notification shall include the reasoned calculation of the then applicable Warrant Limit.
- (e) Upon receipt of the Exercise Notice, the Company may request the holder of the Warrant in writing to provide to the Company with such further declarations and documents, which are necessary to comply with all applicable legal and regulatory provisions in connection with the exercise of the Warrant and the issue or delivery of the Shares resulting therefrom, including pursuant to Article 6(b) of these Conditions.

7.2. Payment of the Exercise Price

- (a) Upon each exercise of the Warrant, the applicable aggregate Exercise Price must be paid by means of a payment in cash.
- (b) Following the receipt of the Exercise Notice, the Company shall, as promptly as practicable and in any event no later than one (1) Business Day after the Exercise Date, notify the holder of the Warrant of the account onto which the applicable aggregate Exercise Price must be paid (the "**Exercise Account**").
- (c) The amount of the applicable aggregate Exercise Price must be paid by means of a wire transfer of such amount in immediately available funds in euro to the Exercise Account.
- (d) If the applicable aggregate Exercise Price is not paid in accordance with paragraph (c) within a term of ten (10) Business Days following the date on which the Company shall have notified the holder of the Warrant of the details of the Exercise Account in accordance with paragraph (b), the Warrant shall be deemed not to have been exercised, without prejudice to the right of the holder of the Warrant to exercise the Warrant at

later occasions until the Expiry Date subject to and in accordance with the terms and conditions set forth in these Conditions.

7.3. Issue and delivery of the Shares

- (a) The Company shall only be obliged to issue Shares upon an exercise of the Warrant provided that (i) the relevant Exercise Notice has been made in accordance with Article 7.1, and (ii) the applicable aggregate Exercise Price has been paid in accordance with the provisions of Article 7.2. Subject to the foregoing, the Company shall issue or deliver the relevant Shares as soon as practicable, but in any event no later than the later of (x) six (6) calendar days after the Exercise Date, and (y) the day other than (a) a Saturday or a Sunday or (b) a bank or other public holiday in Belgium following the receipt of the applicable aggregate Exercise Price on the Exercise Account.
- (b) The Company shall take all steps and carry out all formalities that shall be required by virtue of these Conditions, the Company's articles of association and applicable law in order to issue the new Shares upon an exercise of the Warrant (without prejudice, however, to the right of the Company to deliver existing Shares in accordance with the provisions of Article 4.2(b)).
- (c) In accordance with applicable law, upon each exercise of the Warrant, the capital increase and issue of new Shares resulting therefrom (as relevant) shall be formally recorded before a notary public by one authorised representative of the Company.

7.4. Allocation of the Exercise Price

- (a) Each time upon an exercise of the Warrant and the issue of new Shares pursuant to these Conditions, the applicable aggregate Exercise Price shall be allocated to the share capital of the Company. If the applicable Exercise Price per Share issued is greater than the fractional value of the existing Shares immediately prior to the capital increase, then the applicable aggregate Exercise Price shall be allocated in such a manner that per Share issued (i) a part of the applicable aggregate Exercise Price equal to the fractional value of the existing Shares immediately prior to the capital increase shall be booked as share capital, and (ii) the balance of the applicable aggregate Exercise Price shall be booked as issue premium. Such issue premium shall be accounted for on the liabilities side of the Company's balance sheet as net equity. The account on which the issue premium shall be booked shall, like the share capital, serve as the guarantee for third parties and, save for the possibility of a capitalisation of those reserves, can only be reduced on the basis of a valid resolution of the general shareholders' meeting passed in the manner required for an amendment to the Company's articles of association.
- (b) Following the issue of new Shares and the capital increase resulting therefrom, each of the Shares (existing and new) shall represent the same fraction of the Company's share capital.

8. ADJUSTMENTS

8.1. General

- (a) Notwithstanding Article 7:71, §1 under the Belgian Companies and Associations Code (or its successor provision), and with the exception of the issue of any Shares with a different fractional value (*fractiewaarde*) than the then existing Shares or with a par value (*nominale waarde*), of any securities with voting rights other than Shares or of any Equity Securities in relation to any Shares with a different fractional value (*fractiewaarde*) than the then existing Shares or with a par value (*nominale waarde*) or

any securities with voting rights other than Shares and any reclassification of existing Shares (which shall not be permitted pursuant to this Article 8.1(a)), the Company may proceed with all actions that it deems appropriate in relation to its capital, its articles of association, its financial condition, even if such actions lead to a reduction of the benefits allocated to the Warrant, including but not limited to, mergers or acquisitions, capital increases or reductions (including those subject to conditions precedent), the incorporation of reserves into the capital with or without the issue of new Shares, the issue of dividends or other distributions, the issue of other Equity Securities and the amendment of arrangements or provisions relating to the distribution of profits or liquidation proceeds, provided, however, that (i) the terms of the Warrant may not be amended without Investor's written consent, and (ii) that Shares issued or issuable under the Warrant shall not be treated differently (had they already been issued at that time) than other Shares already issued. If the rights of the holder of the Warrant are affected by an action or transaction permitted by the immediately preceding sentence, the holder of the Warrant will not be entitled to a change of the Exercise Price, the Reference Exercise Price or the Warrant Limit, an amendment to the Conditions or any other form of compensation (financial or otherwise) unless (i) specifically provided for in Articles 8.2 and 8.3 of these Conditions and/or (ii) such action or transaction was undertaken with the primary purpose of adversely affecting the rights or value of the Warrant.

- (b) The provisions of this Article 8 are without prejudice to the provisions of the Subscription Agreement (such as the anti-dilution protection).

8.2. Adjustments for Share Reorganisations

- (a) If at any time as of the Issue Date up to the Expiry Date there is a change of the fractional value of the Shares as a result of a consolidation (or reverse stock split), a subdivision (or stock split) or otherwise, in each such case without increase or reduction of the Company's share capital (each such transaction a "**Share Reorganisation**"), the Warrant Limit shall not be affected (since it is expressed as a percentage of the actually issued and outstanding Shares). In addition, the Exercise Price of the Warrant (i.e. on a per Share basis) shall be divided by a fraction, (A) the numerator of which is equal to the fractional value of the outstanding Shares of the Company immediately before to the Share Reorganisation, and (B) the denominator of which is equal to the fractional value of the outstanding Shares of the Company immediately after the Share Reorganisation.
- (b) Any adjustment made pursuant to paragraph (a) of this Article 8.2 shall become effective immediately after the effective date of the relevant Share Reorganisation that gives rise to such adjustment. The Company shall notify the holder of the Warrant of such adjustment by written notice as soon as practicable after the effective date of the Share Reorganisation concerned.

8.3. Adjustments for mergers and de-mergers

- (a) If at any time as of the Issue Date up to the Expiry Date there is a merger (*fusie / fusion*) of the Company with or into another legal person or entity whereby the Company is not the surviving entity or a de-merger (*splitsing / scission*) in whole or in part, whereby in each of these cases the Shares of the Company are exchanged into, or the shareholders of the Company receive, shares, other securities, cash or other property of one or more other legal persons or entities (each such legal person or entity a "**Successor Company**") as a result of such merger or de-merger (each such transaction a "**Succession Transaction**"), then the Warrant shall be replaced by (or, if the

Company survives, to the holder of the Warrant shall be issued) one or more warrants to be issued by each of the respective Successor Companies that give right to such respective shares, other securities, cash or other property that the holder of the Warrant concerned had been entitled to receive if the Warrant had been exercised in full up to the Warrant Limit immediately before to the occurrence of the Succession Transaction concerned but after giving effect to dilution upon the exercise or conversion of all rights to acquire Shares that are exercised or converted in connection with such transaction. The number of warrants to be so issued in replacement of the Warrant (or, if the Company survives, to be so issued), as well as the terms and conditions of such warrants (including the Exercise Price and the Warrant Limit) will need to be, as a whole, equivalent to the terms and conditions of the Warrant and have economically substantially the same effect for the holder of the Warrant concerned.

- (b) An adjustment made pursuant to paragraph (a) of this Article 8.3 shall become effective upon, and subject to, the completion of the Succession Transaction that gives rise to such adjustment. The Company (or the respective Successor Companies, as the case may be) shall notify the holder of the Warrant of such adjustment as soon as practicable after the completion of the Succession Transaction concerned.
- (c) In the case of any merger or de-merger of the Company as contemplated by paragraph (a) of this Article 8.3, the Company must procure that the successor or acquiring persons or entities shall expressly assume the due observance and performance of the covenants and obligations set out in the Conditions.

9. REPRESENTATIONS AND WARRANTIES

9.1. Representations and Warranties of the Company

Upon each exercise of the Warrant, the Company shall be deemed to represent and warrant to the holder of the Warrant on the date of the issue or delivery of the Shares to be issued or delivered by the Company upon such exercise of the Warrant:

- (a) **Incorporation.** It is duly incorporated and validly existing and in good standing under the laws of Belgium, with full power and authority to conduct its business and is not in violation of any of the provisions of its organisational documents.
- (b) **Validity of Shares and Absence of Breach.** Each Share to be issued or delivered by the Company upon such exercise of the Warrant, and, with respect to new Shares only, as of when issued and paid for in accordance with these Conditions, are validly and duly issued and fully paid ordinary shares of the Company in accordance with the applicable provisions of the Company's organisational documents and Belgian law, having the same fractional value (*fractiewaarde*) as the then existing Shares, and free and clear of all liens, pledges, encumbrances, mortgages, security interests, or easement or transfer restrictions of any nature whatsoever (other than those that find their origin solely with the holder of the Warrant and save for the transfer restrictions referred to in the Subscription Agreement, as the case may be). The issue or delivery of the Shares to be issued or delivered by the Company upon such exercise of the Warrant will not result in a breach of, default under any material agreement to which the Company is a party or the Company's organisational documents or any law, regulation or stock exchange rule, or give rise to the activation of any material rights of third parties under any agreement, law, rule or regulation binding on the Company or any of its subsidiaries.
- (c) **Consents.** All necessary consents, authorisations, notification, actions or things required to be taken, fulfilled or done under Belgian law or any of the Antitrust Laws

(as defined in the Option, License and Collaboration Agreement) (including, without limitation, the obtaining of any consent or license or the making of any filing or registration) for the issue or delivery of the Shares to be issued or delivered by the Company upon such exercise of the Warrant, the actions contemplated by these Conditions and the Warrant or the compliance by the Company with the terms of these Conditions and the Warrant will, save as otherwise set forth in these Conditions in Article 4.3, be in full force and effect.

- (d) **Brokers and Finders.** No person will have, as a result of the exercise of the Warrant, any right, interest or claim against or upon the holder of the Warrant for any commission, fee or other compensation relating to the Shares to be issued or delivered by the Company upon such exercise of the Warrant.

9.2. Representations and Warranties of the holder of the Warrant

Upon each exercise of the Warrant, the holder of the Warrant shall be deemed to represent and warrant to the Company on the date of the issue or delivery of the Shares to be issued or delivered by the Company upon such exercise of the Warrant:

- (a) **Incorporation.** It is duly incorporated and validly existing and in good standing under the laws of its jurisdiction of incorporation, with full power and authority to conduct its business and is not in violation of any of the provisions of its organisational documents.
- (b) **Consents.** All necessary consents, authorisations, notification, actions or things required to be taken, fulfilled or done under the law applicable to its jurisdiction of organisation or incorporation, or any of the Antitrust Laws (as defined in the Option, License and Collaboration Agreement) (including, without limitation, the obtaining of any consent or license or the making of any filing or registration) for the exercise of the Warrant, the actions contemplated by these Conditions and the Warrant or the compliance by the Warrant holder with the terms of these Conditions and the Warrant will, save as otherwise set forth in those Conditions in Article 4.3, be in full force and effect.
- (c) **Information.** Without taking into account the Warrants or the shares issuable (but not yet issued) thereunder, except to give effect to the issue and delivery of the Shares to be issued or delivered by the Company to the Investor upon the particular exercise of the Warrant that occurs on the date that this representation and warranty is made, the Investor, the Parent Investor, and their respective Affiliates do not, directly or indirectly, own, or have the right to acquire, voting securities of the Company in excess of the Warrant Limit (assuming the exercise, conversion or exchange of any Equity Securities (other than the Warrants except as described in this Article 9.2(c)) held by any of them at that time that are exercisable, convertible or exchangeable into or for shares of the Company at that time) (the resulting number of securities rounded down).

10. MISCELLANEOUS

10.1. Binding nature of the Conditions

In the case of subscription for the Warrant, the subscriber shall be bound by, and deemed to have accepted, the present Conditions. In the event of a transfer of the Warrant (or any right thereto), the acquirer or transferee shall be bound by, and deemed to have accepted, the present Conditions.

10.2. Severability

Whenever possible, the provisions of the Conditions shall be interpreted in such a manner that they are valid and enforceable under the applicable legislation.

If any provision in these Conditions is held to be illegal, invalid or unenforceable, in whole or in part, under any applicable law, then such provision or part of it shall be deemed not to form part of these Conditions, and the legality, validity or enforceability of the remainder of these Conditions shall not be affected.

In that event, the illegal, invalid or non-enforceable provision or part thereof is automatically replaced with the legal, valid and enforceable provision that is the closest to the original provision or part thereof as regards content, bearing and intention.

10.3. Specific Enforcement

Notwithstanding anything in these Conditions to the contrary, nothing in these Conditions shall in any way limit the ability of the Company and the holder of the Warrant to seek or obtain from any court of competent jurisdiction any remedies available at law or in equity (including injunctive relief) to enforce any covenant or agreement of the holder of the Warrant respectively the Company hereunder.

10.4. Costs and expenses

The Company shall pay any stamp, issue, registration, documentary or other taxes and duties, including interest and penalties, payable in Belgium on or in connection with the issue or delivery of the Shares upon each exercise of the Warrant. The Company shall also pay all costs associated with the listing of the relevant Shares on the regulated markets of Euronext Brussels and Amsterdam (and such other regulated markets on which the Company's Shares will be trading at that time).

10.5. Governing law and jurisdiction

The Conditions and the Warrant and any non-contractual obligations arising out of or in connection with each of them are governed by, and are to be construed in accordance with, Belgian law.

Any dispute, controversy, difference or claim which may arise between the Company and the holder of the Warrant out of or in relation to or in connection with the Conditions or the Warrant (including arising out of or relating to the validity, construction, interpretation, enforceability, breach, performance, application, exercise, expiry or termination of the Conditions or the Warrant), shall be settled by binding arbitration in accordance with the applicable rules of the International Chamber of Commerce ("**ICC Rules**") by three (3) arbitrators, one chosen by the holder of the Warrant, one chosen by the Company and the third chosen by mutual agreement of the first two, and otherwise in accordance with the ICC Rules. The arbitrators shall have significant experience and shall have expertise in Belgian corporate law. Each of the Company and the holder of the Warrant may refer such dispute to arbitration by submitting a written notice of such request to the holder of the Warrant respectively the Company. The place of arbitration shall be New York and the language (including all testimony, evidence and written documentation) shall be English. The arbitrators shall establish procedures to facilitate and complete such arbitration as soon and efficiently as practicable. Unless the arbitrators expressly determine otherwise, neither the Company nor the holder of the Warrant shall be required to give general discovery of documents, but may be required only to produce specific, identified documents that are relevant to the dispute. Each of the Company and the holder of the Warrant shall have the right to be represented by counsel. Any judgment or award rendered by the arbitrators shall be final and binding on the Company and the holder of the Warrant, and shall

be governed by the terms and conditions hereof and the limitation on damages set forth in Article 13 of the Subscription Agreement. The parties hereto agree that such a judgment or award may be enforced in any court of competent jurisdiction. The statute of limitations of Belgian law applicable to the commencement of a lawsuit shall apply to the commencement of arbitration. The arbitrators shall determine the allocation of costs and expenses and attorneys' fees in the arbitration to be borne by each of the Company and the holder of the Warrant. All proceedings and decisions of the arbitrators shall be deemed Confidential Information (as set out in the Subscription Agreement) of each of the Company and the holder of the Warrant, and shall be subject to Article 13 of the Option, License and Collaboration Agreement.

10.6. Notices

Any notice, notification, demand or other communication ("**notice**") to be given under these Conditions shall be in writing, shall specifically refer to these Conditions, and shall be addressed to the appropriate party at the address specified below or such other address as may be specified by such party in writing in accordance with this Article 10.6, and shall be deemed to have been given for all purposes (i) when received, if hand-delivered, sent by a reputable international expedited delivery service or sent by facsimile (with transmission confirmed), or (ii) five (5) Business Days after mailing, if mailed by first class certified or registered mail, postage prepaid, return receipt requested.
